## HEAD'S UPDATE

### Social Media and Mobile Phones: Keeping Children Safe

The government has recently launched a consultation on children's use of **social media**. This work is looking at several important areas, including setting minimum age limits, introducing stronger age-verification measures, reducing addictive features on platforms, and improving support and guidance for parents.

**Ofsted** has also confirmed that it will now check mobile phone policies during every school inspection, with the expectation that schools operate as phone-free environments. Our school is already fully compliant. **Smartphones are not permitted in school**, and we have a clear mobile phone policy in place to support the safety and wellbeing of all pupils.

As we know, mobile phones and social media can present significant risks for children, including online bullying, inappropriate content, and distractions from learning. By keeping our school phone-free and working together with families, we aim to create a safe, calm, and focused environment for every child.

The government's response is expected in the summer, and the NSPCC has called for stronger accountability from technology companies to better protect young users. Thank you for your continued support in helping us promote safe and healthy digital habits.

### Celebrating Miss Sarjeant's Achievement

We are very pleased to share that **Miss Sarjeant**, our Year 5 teacher, has recently achieved her **NPQLTD** (National Professional **Qualification** for Leading Teacher Development) through the Maths Hub. This nationally recognised qualification supports teachers in developing strong leadership skills and improving teaching practice across a school.

We are extremely proud of her accomplishment. The expertise Miss Sarjeant has gained will continue to strengthen our maths curriculum, support staff development, and contribute to consistently high-quality teaching throughout the school. Her leadership is already making a positive impact, and this achievement will further enhance the learning experience for our pupils.

We congratulate Miss Sarjeant on this success and look forward to the continued benefits that her leadership will bring to our school.

## THIS WEEK

### Stars of Week

The latest **Stars of the Week** were announced in the assembly last week - they create a superb role model for their fellow peers through their efforts and commitment by following the school values.

Nominated each week in our Celebration Assembly every Friday. All of the Stars of the Week receive a certificate and five house points for showing one or more of the school **BELIEVE** values - **B**rilliance, **E**nthusiasm, **L**earning, **I**nspiration, **EV**sion and **E**very pupil matters. Well done to this week's winners.

## **Maths Quiz Club Team Selection**

We are delighted to celebrate the achievements of our Upper School mathematicians who have taken part in the rigorous selection process for the **Maths Quiz Club**. This is a *national competition* featuring questions of exceptional challenge - well beyond the KS2 curriculum - and all pupils who took part demonstrated impressive resilience, reasoning, and a real love of problem-solving.

Following this demanding process, we are proud to announce that **four pupils have been selected to represent our school** in the upcoming **area heat on 9th February 2026**.

Congratulations to **Alice W (5S), Annabelle H (5H), Averi L (6G) and Rhea J (6H)**. Securing a place on the team is a significant achievement, reflecting not only strong mathematical ability but also perseverance, teamwork and confidence when faced with complex challenges.

We wish the team the very best of luck as they prepare for the next stage and look forward to cheering them on as they represent our school with pride.

## **IMPORTANT INFORMATION**

### **Important Reminder - Staff Training Day Monday 23rd February 2026**

We would like to remind all parents and carers that **Monday 23rd February 2026** is a staff training day. This means that school will be closed to all pupils on that day, and children will return after the half-term break on **Tuesday 24th February 2026**.

Please note that wraparound care (**JAG**) will not be available on Monday 23 February 2026, so we kindly ask families to ensure that suitable childcare arrangements are in place.

Thank you for your understanding and support.

### **Kids Vs Adults Football Matches - Upper School Cancelled. Lower School Deadline Extended.**

**Unfortunately, we have had to make the difficult decision to cancel the Upper School Kids vs Adults football match, which was scheduled to take place on Thursday 5th February.** We had a very low uptake and were not able to make a team for either year group. Thank you to everyone who had signed up and apologies for any disappointment this cancellation may cause. The **Lower School Kids vs Adults football match will still go ahead on 26th February as planned**. Sign-up for the Lower School event remains open and has been **extended to 12pm on Thursday 5th February**. We would love to see as many of you there as possible!

Because the fundraiser is cancelled we will go ahead with girls' football training and we have managed to schedule in a last minute home match of the **A & B Team versus St Martin's** 3.40-4.30pm.

**The Lower School Kids vs Adults football match will still go ahead on 26th February 2026 as planned.** Sign-up for the Lower School event remains open and has been extended to **12pm on Thursday 5th February 2026**. We would love to see as many of you there as possible!

We are arranging mini 15 minutes matches where the children can face their adults.

These will be held for **Lower School (Year 3 & 4)** children and parents on **Thursday 26th February 2026** from 3:45pm – 4:30pm and we will be asking for a **cash** donation of **£10** for adults and **£5** for children on entry to the matches, which will go towards the new sporting equipment.

You do not need to be a great footballer, or super fit and the emphasis is on having fun- rather than beating the children! You will need shin pads and a good team spirit.

We will need to consider numbers so if you are interested in playing, please complete the Google Form on the link below.

### **Art Exhibition Horton Art Centre - Payment Link is now Online**

A selection of children's artwork has been selected for entry to the art exhibition at Horton Arts Centre from the 3rd - 7th March 2026 and parents /carers were contacted this week.

The child's work will be displayed in an A3 black frame, and parents, grandparents and friends are invited to view the exhibition at Horton Art Centre from Tuesday 3rd March 2026 to Saturday 7th March 2026. Horton Art Centre is located at Haven Way, Epsom, KT19 8NP and is open 9:15 to 16.00 daily. As children are at school during the week, parents may wish to visit with their child on Saturday.

**Parents of children with selected artwork may reserve and purchase the framed artwork before the exhibition on Scopay at a cost of £11.** Payment link is now available online.

There is some financial help available for those children on free school meals. Please visit Scopay to make your payment.

Artwork will be available to collect from **3.30pm on Saturday 7th March 2026** at the exhibition, from Mrs Curran. All remaining artwork will be brought back to school for collection.

Yours sincerely, Mrs C Curran Year 4 Teacher / Art and D&T lead

### **Online Subscriptions Fees**

We are pleased to continue our online subscriptions to **Mathletics**, **Times Table Rock Stars**, **Spelling Shed** and **Linguascope** to name a few, which are used by the children both at school and to complete homework. These online portals are useful tools for children to develop their speed and confidence in maths, spelling and language comprehension.

The school purchases these online resources each year and in order to cover the cost of these subscriptions, **we would like to request a voluntary contribution of £10.50 per child** to cover these costs. If your child is currently on Free School Meals you will not be required to pay this.

We realise not everyone will be able to afford this, but if you are in a position to contribute, please do so via Scopay. Also, our **School Fund** Voluntary Contribution button which is available under **Products** in Scopay is always available for you to make a further voluntary contributions to our School Fund during the school year. We would also like to thank families who have donated to the School Fund this year – which again allows us to fund the extras that we wouldn't be able to afford from government funding alone.

## YEAR 3

### Year 3 Road Safety

We are pleased to announce that Year 3 will be participating in Surrey County Council's new road safety awareness course **Feet First: Walking Training Programme on 24th and 25th February 2026.**

Our Year 3 pupils will be participating in activities held within the classroom as well as on-road practical training in small groups of approximately 4 children led by fully trained and DBS checked Surrey County Council Walking Instructors. There are also some at home activities to continue the learning!

**All Year 3 children will participate.** As we already have parental consent for local walking trips, we do not require you to sign a permission slip.

Feet First is a road safety and active travel skills awareness course that will be aimed at children ages 7 to 8 years old (Year 3). It will provide pupils with road safety awareness skills, providing them with a key life skill that prepares them for travelling independently in the future.

The benefits of active travel on health, wellbeing, and the environment. The Feet First is run by external trainers from Surrey County Council so there is a small cost per child; we therefore need to ask for **a voluntary donation for this on Scopay of £7.50 and it is free for pupils eligible for Free School Meals.** For this, schools will get access to online 'Safer Steps' training modules, lesson plans and a parent / carer worksheet that can be provided at the end of the training. Pupils will also get a certificate, pencil, sticker and fluorescent zip clip for their school bag.

**Further information about Feet First can be found here<sup>4</sup>.**

## YEAR 5

### Year 5 Music Assembly

I am very much looking forward to hearing all the children audition for the Year 5 Music assembly. The auditions will be done during their class music lesson **next week - Tuesday 3rd February 2026**. Please can you ensure they bring in anything required for this e.g. instruments (which can be left in the music room for the day), music, printed words and know which backing track they require. Parents of the children who are selected will then be contacted by email and invited to attend the performance the following week on Tuesday 10th February (around 2.45pm depending on the number of performers).

Mrs Johnstone (Music Lead)

### Year 5 French Fashion Show - Monday 9th February

In Year 5 we have been learning how to describe clothing in preparation for our **French Fashion Show**. This will be held on Monday, 9 February during French lessons. Each group will have chosen a “Collection”, either Autumn, Winter, Summer or Spring, and will bring in appropriate clothing/accessories that they will change into immediately beforehand.

Both Year 5 classes will be presenting to each other, and in order that children feel more comfortable, on this occasion no parents/carers will be invited. I would be grateful if you could **please ensure that your children bring in their clothing and accessories (if any) by next Monday, 2nd February 2026**. Please could children have their clothing in a plastic bag with their name on it as these will be kept in the classrooms until the day of the Fashion Show. Children will take home their clothing on 9th February 2026 after the Fashion Show. Thank you so much for your co-operation. The children are very much looking forward to it! Vive la mode! Long live fashion!

## YEAR 6

### Reminder - Choir Deadline for Music Festival

Year 6 Choir Members have been emailed a Google form to complete by **Friday 30th January 2026** midday to confirm their preference for performing on either Tuesday 24th March or Wednesday 25th March (5pm - 7pm) and confirmation able to pick up for Monday 23rd March 2026 daytime rehearsals. Places are very limited so please be flexible about the evenings and complete the form by the deadline otherwise you may jeopardise your child's chances to take part.

### France Residential Reminders - Payments and Passports

Please be reminded that the next instalment of **£120.00** was due on **22nd January 2026**.

Please may we also remind you to check your child's passport. At the time of travel UK passports must:

- Be less than 10 years old
- Be valid for at least 3 months after the day we leave France.

## PTA

### Happy Bags 4th February 2026

Please remember to bring in your second hand items for the Happy Bag collection before 9.00 am on **4th February 2026**. This collection is a wonderful way to raise money for the school, and we greatly appreciate your support.

If you have any logo uniform items, please take these to the school office for our next second hand uniform sale. We would also welcome any old tracksuit bottoms that are suitable for PE days, which can also be handed in at the office.

Thank you for helping us to reuse, recycle and fundraise in such a positive way.

### Come Along to the PTA AGM!

We would like to give notice of the PTA Annual General Meeting to be held at **2.30pm** on **Wednesday 4th February 2026** in the Garden Room.

The PTA plays a vital part in our school community and we invite you to support the AGM and to hear how the funds you help raise are used for the benefit of the children in school.

The PTA AGM is also an opportunity for you to elect the PTA Committee, who represent the PTA throughout the year. We are delighted that we have received nominations for the roles of Chair, Vice-Chair and Secretary and that the current Treasurer is standing for re-election. Nominations should be sent to [wfjspta@gmail.com](mailto:wfjspta@gmail.com)<sup>7</sup> in advance of the AGM for anyone wishing to stand as an Officer or Ordinary Committee Member, for the first time. If you would like any further information about being a Committee Member, please contact [wfjspta@gmail.com](mailto:wfjspta@gmail.com)<sup>8</sup>.

We look forward to seeing you on the 4th February 2026!

## REMINDER AND USEFUL INFORMATION

### Advice on Threadworms

A case of **threadworms** has been found in Year 3, which is very common in young children, so please be vigilant for thread like worms in their faeces. Common symptoms include extreme itching around the bottom particularly at night and irritability and waking up during the night. It can be easily treated by a medicine from the pharmacist for the whole family as well as washing of sheets, clothing and hands. Click here<sup>9</sup> for more information.

### No Make Up and Nail Polish Permitted and Long Hair Must Be Tied Up

We have had an increasing number of Year 6 children coming up with lip gloss, mascara, curled eyelashes, nail polish and colourful spot stickers. Please ensure that your children are aware that make up and nail polish are not permitted at school and class teachers will be keeping a close eye on this. Mr Lee keeps polish remover in his office so children will be sent to him to remove any nail polish. the class teachers are sourcing wipes to remove facial make up.

Children also a reminder that long hair, touching the shoulders, must be totally tied back off the face, not half up and half down. Hair must be brushed or combed so it is neat and tidy. As per school policy there must be no extremes of hair (spiky/Mohican/shaved patterns) or hair dyes or gels.

Please click here<sup>10</sup> for more guidance on the uniform policy.

## PE Kit for Year 5 & 6 Swimming days and Swimming Reminder

Swimming lessons are going well. For those selected, swimming will continue on Monday mornings at Epsom College, and this will help to develop their swimming skills. Lessons will happen on the following remaining dates:

**2nd & 9th February,**

**2nd, 9th, 16th & 23rd March,**

**20th & 27th April,**

**11th & 18th May 2026**

Remember swimming things (including costumes, towel etc) in a waterproof swimming bag and water bottle and snack.

Please remind your child to wear their PE kit to school on Mondays from next week. We hope this will speed up changing and allow more swimming time in the pool.

## SAFEGUARDING and WELLBEING

At The National College, our WakeUpWednesday guides empower and equip parents, carers and educators with the confidence and practical skills to be able to have informed and age-appropriate conversations with children about online safety, mental health and well-being. For more information on online safety, these guides now address older topics and themes. For further guides, hints and tips, please visit [thenationalcollege.com](http://thenationalcollege.com).

### What Parents & Educators Need to Know about MENTAL HEALTH MISINFORMATION ONLINE

**WHAT ARE THE RISKS?**

A research study by Ofcom revealed that children aged 9-15 increasingly use online platforms like TikTok for mental health advice, with 50% relying on social media for mental health information. This guide provides expert strategies to help parents and educators tackle misinformation effectively and ensure safer digital experiences for young people.

**POPULAR ONLINE SOURCES**

Platforms like TikTok and YouTube are two of the main sources of young people's mental health information. They frequently feature unqualified influencers, content creators, and over-explainers, often over-explaining conditions. While appealing to young audiences, these platforms can reinforce negative perceptions and create unrealistic expectations and misunderstandings about mental health conditions.

**RISK OF SELF-DIAGNOSIS**

Social media platforms encourage users to self-diagnose complex mental health conditions inaccurately. Misdiagnosis can lead to self-harm, delay essential professional intervention. This has led to an increase in young people who have more significant mental health issues requiring professional clinical support.

**LACK OF FILTERS**

Social media platforms struggle to filter misinformation effectively, allowing false information to spread quickly. Without proper guidance, young people can't discern between fiction, potentially misleading inaccurate information, and facts. This can influence their decisions about seeking professional help or managing mental health.

**IMPACTFUL PAST TRENDS**

Historically, online mental health misinformation has led to harmful trends, including inappropriate content on TikTok. These trends can be replicated, for example, past TikTok trends on self-harm or anxiety have led to a significant increase in self-harm, raising the risk when misinformation is not promptly addressed or corrected by healthcare professionals.

**MISLEADING CLINICAL TERMS**

Online trends often include the misuse of mental health terms, such as 'depression' masking serious conditions. Stigma and empathetic communication can diminish empathy, and lead young people to self-harm. This can lead to mental health professionals potentially preventing them from identifying real mental health issues in themselves or others.

**REPLACING PROFESSIONAL HELP**

Frequent reliance on digital content can deter young people from seeking professional mental health care, isolating them from support and guidance. This can lead to mental health issues, complicate recovery, and reduce the effectiveness of treatment. It can also ultimately impacting overall mental health and wellbeing negatively.

### Advice for Parents & Educators

**MONITOR ONLINE ENGAGEMENT**

Regularly review and discuss a young person's online activity, providing appropriate guidance on discerning accurate from inaccurate information. This can help mediate exposure to harmful misinformation, facilitating safer digital habits and informed critical thinking about mental health online sources.

**SCHOOL-HOME COLLABORATION**

Strengthen collaboration with educators to integrate digital literacy into the school curriculum, emphasizing misinformation awareness. Jointly delivered education can help young people develop the skills to identify and evaluate online content, improve their critical assessment of mental health content, supporting their mental well-being through better communication.

**ENCOURAGE OPEN DIALOGUE**

Create a non-judgmental environment where young people feel comfortable discussing online content. Regularly talking about their online experiences can help them identify potential risks, share their findings, mitigate misinformation, and build trust, thereby enhancing their resilience and self-efficacy. Encourage young people to seek help from trusted sources and not solely rely on social media for health advice.

**SCREENSAFE**

We are excited to again be celebrating the upcoming Safer Internet Day by hosting a virtual parent & carer support session with Anna Sarjantson, ScreenSafe and experts from the eduthing Professional Learning team, and you're invited!

Join us in conversation as we explore the best ways to support our children and young people navigating the online world covering topics such as:

- Artificial Intelligence - What to know and how to support your children and young people
- Resources to facilitate discussion with children and young people on online safety
- Top Tips and Tricks for Parents & Carers
- Particular Apps or Features to be aware of!
- Interactive Q&A Session

### ABOUT SCREENSAFE

I started Screen-Safe to help more parents, carers, teachers and anyone working with children, have access to support, the information they need now and the tools they need for the future when it comes to keeping our children and young people safer online. As a parent myself, I know just how challenging and sometimes, overwhelming it can be to navigate the digital world our children are growing up in. The online world can provide incredible opportunities but also some serious risks, especially where children are concerned.

We want them to be able to recognise the risks, be able to call out fake profiles, misinformation and have the confidence to say NO and get away from anything or anyone online that doesn't feel right or safe to them.

### ABOUT EDUTHING

eduthing are a leading technology provider to schools across the UK. As well as providing technical support to ensure teaching and learning runs smoothly, eduthing work with teachers, parents, carers and students with Computing, EdTech and Online Safety support and workshops.

We are passionate about ensuring the safety of children and young people when they experience the online world and immerse themselves in a safe and measured way.

**VISITORS ARE NOT FREE:** We ask that you support us with the cost of the extended play. We have a £10.00 discount for each additional child.

**HOW WILL MY CHILD BE LOOKED AFTER?**  
Upon booking, we ask for you to tell us a little about your child. From the very first meet, your child becomes part of our setting and will be made to feel welcome and comfortable. Our staff to child ratios are extremely strong which ensures that your child's needs are priority.

**HOW WILL MY CHILD SPEND THEIR DAY?**  
Each day we ensure the children can experience a wide range of activities throughout the day. Our programmes are designed with Fun, Physical, Emotional and Social Development in mind. We have a balance in activities and maintain enthusiasm and excitement in all that we do.

**WHAT YOU CAN EXPECT:**  
Having NSSport as an option throughout the school holidays is a fantastic idea. We know all children have a different day for my child. We have a variety of activities and experiences and ensure that each child is an individual which is great.

**NSSport is for those who are:**  
- looking for a fun holiday  
- looking for a safe environment  
- looking for a place to go  
- looking for a place to have fun  
- looking for a place to have fun with friends  
- looking for a place to have fun with family  
- looking for a place to have fun with a mix of both
