HEAD'S UPDATE

Welcome - Mrs Murtagh: A huge warm welcome to Mrs Cara Murtagh who joined our team of support staff recently. She has settled in really well and is already fully engaged as a member of our enthusiastic and incredibly committed staff. Mrs Murtagh is a wonderfully friendly and kind individual who has been enjoying her role in the classroom supporting those children who need it and resourcing lessons.

Thank You - To Our Volunteers: We have a number of *very* reliable and committed volunteers who really make a difference with helping the children and hearing children read. They spend the whole day sometimes in school - and this regular help is fantastic. Our '**Helping Hands**' scheme has a few very altruistic individuals who make a huge difference to school provision and give up their own time and are so admired and appreciated by the teachers. I wanted to say a very genuine thank you to all the volunteers and Helping Hands for their commitment.

Year 3 Musical Performance: My thanks to **Mrs Johnstone**, our music lead, for organising this and to the parents and carers who came along to watch. Another record number of parents came along and this added to the atmosphere and the response from the audience. A wonderful performance - well done to everyone who took part. Details are below and information on the next planned musical events.

Therapy Pets at Wallace Fields Juniors: We have a therapy **dog** Rufus - who comes in to hear children read , especially reluctant readers and two therapy **guinea pigs** Chocolate and Cream. My thanks to Mrs Elliot for maintaining the guinea pigs and keeping them fed, watered and clean. The guinea pigs are popular so sessions are always busy, my thanks to Chloe , Arlia and Stanley in Year 6 for running the sessions. We also have **fish** in the tank - my thanks to Mrs Bruen for keeping the fish fed and cared for. School Council have made a request for more fish.

Sports Day Preparation: Despite summer term starting with rain we are still preparing for all the exciting events that happen in the summer term. One of these is our sports day and we have just had the trees trimmed back on the **upper field** to make sure parents have more rooms to view the races and events especially our track events in the second part of sports day. The markings are also being prepared and so all we need now is the weather to improve. Our sports day is 26th June 2024

Year 5 Ukulele Concert 14th May 2024

As I am sure you are all aware, Year 5 have been enjoying learning to play the ukulele this year. Whilst they still get opportunities to play it in the future, it will not be studied as a focus instrument as it has since January. I thought that it would be lovely for them to be able to put on a little Ukulele concert for you, to share some of the pieces they have been playing. This will only be short (around 15 minutes) and will take place in the afternoon during their music lesson. Whilst audiences in person are much more exciting for the children, I realise that due to work commitments, understandably, this may not be very convenient so I will record the pieces and share the links with you via email. There will be two separate concerts - one for each class determined by the time of their lesson. **The concerts are on Tuesday 14th May 2024:**

Class 5S: 2.05pm

Class 5H: 3.05pm.

Please complete the Google link by clicking here³ to confirm if you wish to attend. Thank you, **Mrs Johnstone.** (Music Lead)

Year 6 French Residential Trip - Monday 15th July – Friday 19th July 2024

Passports:

All children use their own passport for the French Trip. If you need to apply for a passport, please do so in plenty of time. Please note current UK passports must be at the time of travel: Less than 10 years old and valid for at least 3 months after the day we leave France. You will need to send in your child's passport to the school office by **6th June 2024**.

What happens if my child holds a non-EU or a non-UK passport?

If your child is a national of a third country listed in Annex 1 but resides in a country in Annex 2 (UK), then they are visa exempt for the purposes of a school trip. The school is then required to provide a covering letter for these children and no visa is required. We do ask that parents with children with a non EU/UK passport, read the previous letter sent and confirm their child's passport is from an Annex 1 country.

Does my child need a EHIC or GHIC HEALTH CARE CARD for visitors to EU countries?

All children require either a valid in-date European Health Insurance Card (EHIC) or a Global Health Insurance Card (GHIC). If your child's EHIC is out of date then you should apply for a GHIC (Global Health Insurance Card). You may apply for a GHIC up to 6 months before your EHIC expires. Applying for a GHIC is free of charge on the NHS website. Beware of unofficial websites that charge you a fee to apply. Please ensure you apply for this in plenty of time. EHICS/GHICS need to be handed into the school office by **6th June 2024**.

Will my child need pocket money?

€20 pocket money (in small notes) needs to be provided by parents and handed in a named purse to the school office by Tuesday **10th June 2024**. This is a reminder to prepare your euro pocket money.

When is money due?

Money is due for the French residential trip:

- 4th instalment of £120 due by **10th June 2024**

Online Safety

This half term's online safety theme is Online Wellbeing. This theme has been shared with all children in a whole school assembly, discussing how the internet can support wellbeing and also areas children should be aware of. Children will also be taking part in a lesson with their teachers to highlight this half term's theme.

If you would like to support your children at home to ensure their online safety and to develop their wellbeing, the National Online Safety (NOS) site has lots of useful information.

Bourne Hall Museum

The Iron Age the end of prehistory

May 11 1pm to 2.30pm

The Iron Age lasted from 800 BC to the Roman invasion. The use of iron changed the life of folk with other advances like the potter's wheel, the lathe for woodworking, and the rotary quern for grinding grain. The population grew substantially till it exceeded one million, due to the introduction of improved varieties of barley and wheat, and increased farming of peas, beans, flax and other crops. Farming improved because the iron-tipped ploughshare made it possible to plough heavy clay soils. Meet some Iron Age folk and discover what it was like to live in a roundhouse.

£5 per child . Contact: David Brooks, Bourne Hall Museum, Spring Street, Ewell, Surrey,
