Head's Update

Mrs. Boddy Retiring After 27 Years at Wallace Fields Juniors!

Mrs Boddy is part of our admin team and I am sure most of you know her if you have been into the school office. Obviously, I have known Mrs Boddy for all the time I have been here at Wallace Fields Juniors and she has been an incredible member of the team. I am aware that a few people were asking about this and now it is official, so for our Celebration Afternoon / Summer Fair the children will be singing a special song dedicated to Mrs Boddy as part of the celebrations and Mrs Boddy will have the opportunity to say a few words. The school does not formally have any WhatsApp groups though I know there are parent groups out there so please spread the word. We are having a private celebration at the end of the summer term so it would be lovely if some representatives of the PTA came along to that celebration. Current and former staff, teachers and governors are welcome to come along also. We will say our proper farewells at the end of term.

Summer Uniform

Some children are wearing cycling shorts or Lycra shorts for summer uniform in PE. Uniform is red shorts (they do not have to be branded) or grey or black leggings, not tight or black shorts. Obviously for Bikeability (Year 6) this is overlooked, however it is not an option in any other circumstances.

Year 6 Hoodies are not school uniform so cannot be worn in class – they must wear a jumper if they are concerned about being cold. Hoodies can be worn in breaks and at lunchtimes though a coat is expected to be worn on rainy days as hoodies are not waterproof.

THIS WEEK

Stars of the Week

Year 3 Stars of the Week will be completed on Monday's assembly as they were at Wisley today.

This week's **Stars of the Week** were announced in assembly - they create an excellent role model for their fellow peers through their efforts and commitment by following the school values.

Nominated each week in our Celebration Assembly every Friday. All of the Stars of the Week receive a certificate and five house points for showing one or more of the school BELIEVE values - **B**rilliance, **E**nthusiasm, **L**earning, **I**nspiration, **E**quality, **V**ision and **E**very pupil matters. Well done to this week's winners.

BELIEVE AWARDS

The BELIEVE Award winners for Year 4, 5 and 6 today as Year 3 were out at Wisley.

The Believe Award is presented to those children who show all of the school values including brilliance, enthusiasm, learning, inspiration, equality, vision and every pupil matters. These children are all round excellent individuals with a willingness to do their best, work with others, approach tasks with vigour and achieve real progress. This is not simply an academic award but more of one of improving and showing willing, teamwork and resilience. They are children who are kind to others and work well in a team whilst understanding that there is a reason for everything we learn and do in school. They are outstanding individuals who deserve this recognition. The Believe Award is only awarded once a month and is worth ten house points. Congratulations to this month's winners.

Drumming Assembly

Drumming has definitely seen an increased profile in the school over the last few weeks as we were very kindly donated a kit by an ex-governor. This week we were treated to some very cool beats when Bobby, a drummer who performs in West End shows and neighbour of Mrs Day, visited the school to share his talents during our music assembly. He got everyone involved practising single, double and paradiddle strokes on their knees and a few children were lucky enough to have a go on the real kit themselves. He then performed a solo which very much inspired us all! Here are a few photos from the afternoon.

Year 3 Wisley Trip

Year 3 had a great time at Wisley. Luckily, the weather was on our side! The children got to explore a wide variety of plants by exploring the gardens and Glass House. We also helped out in the gardens by planting seeds and observing wildlife. 3T managed to spot a centipede whilst 3D were lucky enough to see a frog and a newt! Thank you to our helpers Mrs Fowler, Mrs Murtagh, Mrs Baxter, Mrs Garsden, Mrs De Bliquy and Mrs Hernandez. Have a restful weekend, Year 3! Miss Day and Mr Taylor.

Look out next week for more photos from the trip which will be published on our school website.

If your child suffers from travel or motion sickness please email the School Office by Monday 9th June 2025 by emailing Office1@wallacefields-jun.surrey.sch.uk⁵ so we can assign them a downstairs seat on the coach. Please give child travel or motion sickness tablet in the morning before the journey, if required. Hand in tablets in a named packet to a member of staff on the morning of the trip for the return dose.

To prepare them for this and to celebrate their achievements, we will be holding a **French Market tasting event on Friday, 13th June 2025** in the diner. CLUBS

Theatre Arts Club Changes

There will be one more Friday session on 4th July 2025 as I am away on the 13th June and 20th June 2025. They will be doing a little performance at the Celebration event on the 27th June 2025.

Friday children are welcome to attend sessions on the 12th June (Thursday) and 26th June (Thursday) in which we will be practising for the Celebration Event. I will also try to come in during the school day for a practice for those who can't do Thursdays.

Please will you let the club leader know if your child will be attending the Thursday sessions so that I have the correct register for those days.

Most children will need a green accessory (sunglasses/hat/bow) for our song of which I have many but do send in anything you have. A couple of children are Glinda/Elphaba (they know

⁸<https://wallacefields-jun.surrey.sch.uk/our-school/safeguarding>

who they are) and again an appropriate accessory would be good (witch's hat/pink bow/sunglasses).

Viking and Saxon shield designs

Saturday June 7, 1 pm to 2.30pm

Viking and Saxon shields were primarily round, wooden, and often adorned with designs, with Viking shields featuring more elaborate and symbolic patterns while Saxon shields were more utilitarian. Viking shields were typically round, constructed from planks of wood and often featured metal fittings. Designs on Viking shields were diverse, incorporating spirals, runes, animal motifs, and divine symbols, reflecting personal values and connections to Norse gods. Saxon shields, on the other hand, were also round, but their designs were often more geometric and less elaborate, with a focus on practicality for battle.

Learn from a Viking visitor why shields had designs Then you can design your own shield and at the end line up and make a shield wall. Ready for battle!

Cost £6.50 per child.
