HEAD'S UPDATE

Half Term is here! It has been a varied and rewarding half term and lovely to see the achievements of the children including more sporting events and some fabulous topic work projects coming together. The new orienteering drive has gone down well with the children and they are very keen to develop it even further - lots of exciting lessons to be had there and even lessons planned that extend up onto our upper field. I hope you have a restful half term and remember the children return on Tuesday 20th February 2024. The whole staff meet on INSET days to review the mid year targets and it is the perfect time for the staff to reiterate the school goals and check the school development plan (SDP) as a whole staff. Have a enjoyable and fruitful week.

Thanks - Disco: The PTA disco went very well and the children had a great time. A wonderful time was had by all and due to it being the second disco of the year the children were much more familiar with the routine for drop off and collection. This kind of event is only possible with the support of the PTA and the parents that volunteer their help. Thanks also to all the teachers who helped registering and monitoring the children - also thanks to Ms. Beeny from Year 4. Thanks to D.J. Mr Findlay for rocking the room! Where do that man's talents end? Thanks lastly to all those parents who helped with monitoring and serving snacks to make sure the whole event went smoothly and the smooth and prompt collection at the end.

Year 3 and 4 Girls Football Tournament Match Report

Well done to all the Year 3 and 4 children who took part in the girls' football tournament on Friday 2nd February 2024, at Auriol Junior School. It was a fantastic event and our girls came out firing on all cylinders. Opportunities came through for the girls who proved triumphant and finished top of the group securing a place in the final with Auriol School.

Wallace Fields Juniors went ahead in the first half, however Auriol School came back to win 2-1.

Wallace Fields Girls are proud to be runners up at the end of the tournament. Massive thank you to

³<https://www.crowdfunder.co.uk/p/all-weather-pitch-sponsored-walk>

coach Tim who's experience and enthusiasm is inspiring our budding Year 3 and 4 girls' football team.

Year 5 and Year 6 Girls' Football Match Report

On Wednesday 7th February 2024 the Year 5 and 6 girls had a home football fixture with St Martin's . St Martin's brought some strong and experienced players who clearly knew their way around a football pitch. Our girls worked hard though St Martin's proved to be just too good. A fun experience for our girls non the less. Well done to Wallace Fields Juniors who backed by Tamzin in goal showed more assertiveness and therefore had more success in the final quarter. Thanks to all our players and supporters

Year 3 and 4 Football Tournament - Friday 9th February 2024

Today, Friday 9th February 2024, Year 3 and 4 took part in a tournament alongside five other teams. We played three matches, we lost the first two but the won the third match. In the third match we saw some amazing goals and some incredible goal keeping from Carter, so everyone left feeling positive with a 4-2 win.

Safer Internet Day - Tuesday 6th February 2024

<http://twitter.com/statuses/1754822480349319320>

On Tuesday 6th February 2024, it was **Safer Internet Day** and all children participated in lessons to raise awareness around online safety. This year's theme was about change and influence online, allowing children to recognise both positive and negative influences the internet can bring.

UK Safer Internet Centre is a great resource to support school communities with online safety and they have created a page directly for parents and carers to support discussions at home. Here are examples of frequently asked questions that helps parents support their children with internet use.

If you would like to read more, visit their website on:

We also have a wealth of resources and parent explainer videos through the National Online Safety site.

Thank you for your ongoing support to monitor children's online activity.

- ② **Things change so fast online, it's hard to keep up with what my child is doing**
Staying up to date with what children are doing online can feel like a challenge sometimes. Here are a few simple steps you can take to help bridge the gap.
<https://saferinternet.org.uk/safer-internet-day/safer-internet-day-2024/parents-and-carers/things-change-so-fast-online-its-hard-to-keep-up-with-what-my-child-is-doing-2>
- ② **My child keeps asking to play a game, or download an app that I don't know about, what can I do?**
The easiest way to address this is to research the game or app before you download it, to see what it is and what it offers e.g., in-app purchases, or connection with others etc.

- ② **My child is asking for a new device and I'm not sure they're ready for one**
It's important to think carefully before getting any kind of device for your child. Not only can it be an expensive decision, it's also necessary to consider the 5 'Ws'.

- ② **I'm not sure if the content my child is watching is a good influence on them, what can I do?**
Children begin to be influenced by the content they watch as soon as they're old enough to go online.

IMPORTANT NEWS

INSET DAY - Monday 19th February 2024

Please don't forget that there is an INSET day on **Monday 19th February 2024** when school is closed for staff training and a very important mid-year review of our school development targets and plans at a whole school and individual pupil level. The children return to school on Tuesday 20th February 2024. The next INSET day is Friday 24th May 2024.

Another Way to Donate to School Funds

You can donate to school funds using **Scopay**. Just click on WFJS Voluntary Contributions Products and select either contributions to the Artificial Pitch Fund or the School Fund Contributions.

Gardening Club

Gardening Club will resume on Tuesday lunchtimes starting on the first day back after half term.

All children are welcome and please remember that old shoes / wellies are needed as we do not want mud taken back into the classrooms.

If the children want to bring gardening gloves too that would be lovely, as we have several pairs though we are in short supply.

I know we have asked previously - if you are having a tidy up of your shed and have any spare tools that would be really helpful too as would any seed compost as we are almost ready to germinate some seeds ready for Spring planting. Expect some pots for your window sills soon!

Police Talk: Phones and WhatsApp - 29th February 2024

We are delighted to welcome police for an educational visit to Wallace Fields Junior School on the afternoon of **29th February 2024**. They will be talking about the use of phones and WhatsApp. The schedule for their visit will be as follows:

- 1.10 - 1.30pm - Whole school assembly
- 1.30 - 2.45pm - Year 6 Talk on Use of imagery and WhatsApp
- 3.00 - 3.30pm - **Year 5 & 6 Parent talk.**

The police would like to invite parents in for a talk about the use of phones and WhatsApp from 3pm to approximately 3.30pm. This is mainly aimed at upper school parents/carers (Year 5 and 6) though all are welcome. Please complete the Google link by clicking the link below if you are interested in attending.

Founders Day /World Thinking Day - 22nd February 2024

Guides, Brownies, Cubs and Scouts are all permitted if they wish to wear their guides, brownie, cubs or scout uniform to school on 22nd February 2024 to celebrate Founders Day /World Thinking Day.

The banner features the Girlguiding logo (a stylized 'G' with a star) and the text 'Girlguiding Epsom division'. To the left of the logo is a red triangle and a blue arc. To the right is a yellow magnifying glass. Below the banner, there is a white box containing text about World Thinking Day.

World Thinking Day is a celebration of ten million girls worldwide that has taken place on every 22 February since 1926. It remains a day for all Guides and Girl Scouts to think of each other and celebrate their sisters all around the world.

If you are a Rainbow, Brownie, Guide or Ranger your school has kindly said that to celebrate World Thinking Day you can wear your Girlguiding uniform to school on Thursday 22 February!

YEAR 5

Year 5 Music Assembly Auditions Tuesday 5th March 2024

If your child would like to take part in the music assembly, auditions are taking place during the Year 5 music lessons on **Tuesday 5th March 2024**. Please ensure your child brings their instrument and music on this day ready to perform. Parents of children selected to perform will receive an email.

Year 5 Music Assembly will be held on Tuesday 12th March 1.15pm and parents of performers are invited to attend.

YEAR 5 and YEAR 6

Year 5 and 6 Swimming

The chosen children will continue swimming on Monday mornings. Parents have been informed. **Lessons will continue on the following dates: 26th February, 4th March and 11th March and 18th March 2024 . Voluntary donations of £50** have been requested and this can be made via Scopay. Please remember to pack swimming costume/trunks and a towel for each Monday as we leave sharply at 8.55am.

Year 5 and 6 Playhouse Choir Festival

Great news! The Playhouse Festival organiser has come back to say that we can bring a few extra singers each night so all the Year 5 & 6 choir who would like to attend will be able to so.

We have distributed to the parents/carers of choir members (by email) the list of the two groups, one Tuesday 26th March and another Wednesday 27th March, matched as best as possible with the choices you sent in on the Google forms.

The choir will attend the rehearsal day as a whole. The only downside of having two groups is that due to time limitations they will not get to practise separately on stage (unless like last year rehearsals finish early and we can sneak on stage again!). I will ensure we rehearse at school in the smaller groups so they will be familiar with it.

Tickets for the event will go on sale on Friday 16th February (during half term) from the Epsom Playhouse website.

Tickets have often sold out, so I would recommend booking tickets as soon as possible. For the evening performance, the children will be expected to wear smart school winter uniform and if the girls could wear grey tights again that would be much appreciated as they all looked so wonderfully coordinated last year. I will send out a further email regarding the rehearsal day arrangements in the next few weeks.

Many thanks for your support. Mrs Jo Johnstone. Music Lead.

YEAR 6

Year 6 Junior Citizen Scheme : 26th February 2024

A letter has been sent to parents/carers with details of our forthcoming trip to Epsom Downs Racecourse for the Junior Citizen event on **Monday 26th February 2024**. In order to cover the cost we do ask for a voluntary contribution of **£11.50** payable via Scopay.

If your child is currently taking part in the swimming course on Monday mornings, they will miss the swimming for this week only and join the rest of year 6 for Junior Citizen. If you have already paid for swimming, an adjustment will be made to your contributions when we continue swimming in the Summer term for those that need it.

Year 6 Auditions for Music Assembly - Thursday 22nd February 2024

If your child would like to take part in the music assembly, auditions will be taking place during the Year 6 music lessons on **Thursday 22nd February 2024**. Please ensure your child brings their instrument and music on this day ready to perform. Parents of children selected to perform will receive an email. The **Year 6 Music Assembly** will be held on **Tuesday 27th February 1.15pm** and **parents of performers are invited to attend**.

Penalty Notices for Unauthorised Leave

Are you starting to think about summer holidays? It is important to remember our attendance policy.

Term time holiday will not be authorised in line with an agreement with the local cluster of primary schools and the infant school. The Education Welfare Service, acting on behalf of Surrey County Council may issue a Penalty Notice as an alternative to the prosecution of a Parent / Carer for their child's unauthorised absence from school and requires the recipient to pay a fixed amount. If a child is taken out of school for more than 5 days / 10 sessions, unauthorised leave, (this need not be consecutive) without the authorisation of the school, the amount payable on issue of a Penalty Notice is £60 per parent per child. This rises to £120 if paid after the 21 days period, but within 28 days. If not paid, legal action will be taken against the recipient for the period shown on the penalty notice, the local authority, Surrey County Council must prosecute the Parent / Carer for failing to ensure regular school attendance under Section 444 Education Act 1996. Please read the Attendance Policy to ensure you understand the criteria for unauthorised absence and its implications. Click [here](#)⁵ for our attendance policy.

Online Vulnerability Awareness Resources - Internet Watch Foundation

The internet is a wonderful facet of modern life. Humans have never had as much access to information than they have today, at the touch of a keyboard all knowledge can be acquired largely for free. But it has also made us contactable at all times, in a manner that goes far beyond the voicemails that used to typify telephonic communications. Now photographs, voice notes, and videos can be exchanged to any device at will. This has made young people more vulnerable than ever to unwanted messages and images. Research done by the Internet Watch Foundation, shows that 1 in every 4 teens has received unwanted sexual messages online. Awareness of how to mitigate this issue is vital to securing the young people of tomorrow, and to help in that endeavour the Internet Watch Foundation has created a resource pack. CAVE PAINTING

Thursday 15 February

11am-12pm & 2pm-3pm

Bourne Hall Museum
Kids Club
bringing history alive

In the deep time of prehistory early men crawled down into the darkest caves and used light from primitive candles to paint pictures of themselves and the animals they hunted.

They left behind a vivid record of their way of life and some clues of what they believed in. Discover how and why these paintings were created.

Then by flickering light try to create your own cave painting in our very own 'caves'

Cost £5 per child. Two identical sessions will be run, please book to reserve your place; maximum 16 children.

Contact: David Brooks, Bourne Hall Museum, Spring Street, Ewell, Surrey, KT17 1UF. Tel 020 8394 1734.

Myths, gods and monsters

Saturday March 9

1pm to 2.30pm

Bourne Hall Museum
Kids Club
bringing history alive

Think myths, gods and monsters are things of the past? Learn how they pop up everywhere from brand names to days of the week. We look at cosmic turtles, the Norse gods, and the Odyssey, with storytelling and poems from all over the world. You can take part in the popular World Cup of Mythological Monsters, and choose the victor of several rounds of monster fights. It's a fun way to learn about the origins and evolution of legendary dragons, yetis, gorgons, the sphinx, the minotaur and the bunyip, a creature originally from Australian Aboriginal mythology but now part of Australian culture.

£5 per child. Contact:
