HEAD'S UPDATE

Sports Day Thanks - After such a fabulous sports day I wanted to say a special thanks to Mr Sellars (our sports coach and sports lead) who organised the whole event with Mrs Wilson (our previous sports lead). They were a supreme double act and the whole thing ran very smoothly. With a new approach to relays and the entire track used fully and year group boys and girls in heats, it went well. It ended on time and we even had time for two dads races! My sincere thanks also to all the staff

¹https://www.wallacefields-jun.surrey.sch.uk/school-calendar

who helped set up and to all the parents and carers who came along to support their children. Congratulations to Blue House for winning.

Space Science Education Award: Congratulations to Mr Hurd as we have successfully achieved our Space Education Award, at Silver level. The report is glowing and this is a very legitimate recognition of the fantastic level of science across the schools. Science has been slimmed down at some schools to focus on maths and English, however at Wallace Fields Juniors we have never reduced or limited our science curriculum and pupil voice reflects the popularity of science in school here. The Wallace Fields Juniors letters will be proudly displaying the logo that goes with this award and the plaque will go up inside the school.

Year 6 Show Success: The Year 6 were met with a ecstatic cheers and much applause on both nights of an amazing show. The X Factory - was performed on Wednesday and Thursday night. The show included all of Year 6 and those that chose not to star in it with an acting role were busy with lighting, sound, costumes and set. Thanks go to Mrs Kidwai and Mrs Crabb for putting in the incredible level of effort that goes into a show like that and to make it happen. Thanks to all the other staff and volunteers including Ms. Gough, Mrs Sonnex, Mrs. Langner and Ms. Grover. Thank you to Miss Sarjeant and Miss Day for doing the make-up. The children did incredibly well and it really brought out an amazing side to the children. Thanks also to those that came along - I hope you enjoyed it as much as us. A digital copy of the entire show is available on USB - details have been sent out, to keep those memories for ever.

Miss Dandy to Start Teacher Training: Miss Dandy, know by many of the children, joined us as an apprentice five years ago. Driven on to develop her skills and inspired by the staff, Miss Dandy has decided to become a teacher and so we say goodbye to her as she starts her initial teacher training. We wish her all the very best and hope that she will come back and visit us now and again. She has been an amazing Positive Play lead and support staff member. She has been proactive, managing the sports crew and ensuring interventions and support were delivered effectively. I am sure she will do well, taking her experience with us with her and we will miss her.

Teacher Strikes: The staff who belong to the relevant union chose not to strike and that is why we have not closed any classes on Wednesday or Friday. If other unions choose to strike then this may change the practical capabilities to keep all classes open and those who belong to those unions have every right to strike.

IMPORTANT

Early Finish Last Day of Term - Friday 21st July 2023

As always at the end of every term (not half terms), the children will be finishing at 1.30pm on the last day.

Class and School Library Book Amnesty

Children must return class and school library books by Friday 14th July 2023 so the Year 6 who are on a residential trip that week must bring them in the week before (week ending 7th July 2023). Please search around your house and return all school library and school class library books to the School Office or School Library! School library books have a plastic cover and author on the spine and class library books have a Wallace Fields Junior School stamp inside the cover and red tape on the spine.

Send in your Readathon Sponsorship

The Readathon is now complete, please can funds be collected and paid via our usual payment system Scopay ²or cash in a named envelope can be brought in.

We are hoping to use the sponsorship money to buy an audible account for the school, to help children enjoy audio books whilst in the library and to help access different texts on the Chromebooks to continue developing our library space.

All Parents Encouraged to Register for Emergency Wraparound Care

It would be very helpful if all parents could register on JAG

https://www.junioradventuresgroup.co.uk/term-time/after-school-club/ even if they never use JAG during their time at WFJS. This would allow a late pick up in an emergency. JAG cannot take unregistered children due to them being under a different Ofsted registration. The office cannot look after a child beyond school day and those children who are regularly picked up late must register with JAG.

Junior Adventure Group Offering Post-Club Sessions 16.30 to 18:00 from September 2023

If your child wants to do clubs and then needs afterschool care after a club then this is the answer! JAG are offering a new part session 16:30-18:00 - it has been created and is live on JAG Magic Booking system for parents - price is £11.00 - this is only available from September and will only be an option for Wallace Fields Junior School children.

Wallace Fields Junior School Recognised for Excellence in Science Education

Wallace Fields Junior has this week been awarded the prestigious **SILVER Space Education Quality Mark**, in recognition of its excellent work compared nationally.

UK schools and colleges receive the Space Education Quality Mark when they can show that they have significantly used the context of space in subjects, have worked with other organisations, shared resources and used space to enrich the curriculum.

The Space Education Quality Mark was created by ESERO-UK, which supports the space sector and teachers to open doors for young people from all backgrounds, by delivering inspiring world-class teaching in science, technology, engineering and mathematics (STEM) subjects.

Alex Brown, STEM Support Programme Manager at STEM Learning, said:

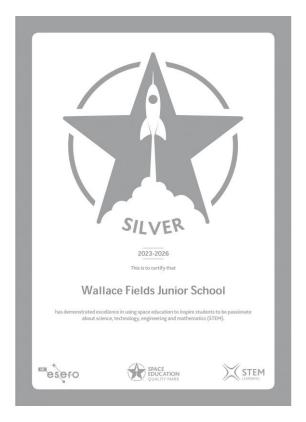

"We are delighted to congratulate Wallace Fields Juniors on receiving the Silver Space Education Quality Mark. Each school and college who receives the Space Education Mark has demonstrated a real and ongoing commitment to excellent STEM education in their school. Wallace Fields are a great example of this."

The assessor from ESERO wrote a comprehensive report on the evidence portfolios submitted, which included many very positive comments including:

"This is an amazing submission and one that the whole school should be very proud of. All the evidence received is of a high quality and everyone involved has been engaged and enthused right from the outset."

Ear Piercing

As you will be aware earrings are removed for PE so this is a polite reminder that the summer holidays are the time to get ears pierced to ensure your child can take part in PE. Please also remember that earrings should be plain silver or gold studs – no loops. Thank you.

Calling All Artistic Parents/Carers

If you use art in your career, have attended classes, studied art or just enjoy the subject and would like to come in to give learners in the school a sketching tutorial, please contact Mrs Curran. In the Autumn term, the children practise the skill of sketching and shading. If this subject matter interests you, you could come in and teach either a whole art lesson or part of the art lesson to each year group over the course of one week. We would greatly appreciate your help. Email Office1@wallacefields-jun.surrey.sch.uk³

Sign Up for Summer Holiday Club at Wallace Fields Junior School

THIS WEEK

District Sports - Thursday 6th July 2023

Congratulations to those children who took part in the District Sports Field event on Thursday 6th July 2023 at Stamford Green Primary School. Thank you to Mr Sellars, Mrs Wilson and Ms. Grover who accompanied our athletes: Rhea J, Jordan D, Sophie W, Oz Y, Alexis R, Aaron M, Sophie S, Henry W, Ella C, Louis H, Savannah A, Dylan W, Liyana H, Daniel P, Esme G, Kiann H, Chloe W, Joshua, Heidi L, Ciaran Y, Lucy L, John S, Emily K and Freddie R. We are still waiting for the school team results and will share this in next week's newsletter.

School Production

The Year 6 Production was a huge hit with the audience. Thank you to all those parents who helped with the bar, costumes and make up. Thanks to all those staff, parents and governors who helped with props, make up, set up and clearing up.

YEAR 6

Final Chance to Purchase a Souvenir Digital Copy of the School Production

You can buy a professionally filmed copy of the show on a USB stick, which was filmed on Thursday 6th July 2023. Please pay on Scopay £19 for your copy and it will be handed out to your child in school before the end of term. The film will be by Magic Box Pictures who have been filming our school productions for many years. Final order deadline is Wednesday 12th July 2023.

Year 6 Design and Technology Week (D&T) 17th July - 21st July 2023

Please can year 6 children bring in a **shoebox** for their DT fairground ride project in the last week of term and can they also bring any **decorations** for their fairground rides, e.g. tissue paper, pompoms and **two AA batteries**.

Year 6 French Trip 10th – 14th July 2023

Reminder for parents:

Monday 10th July 2023 - The coach leaves school promptly at 9.15am. Children should arrive at school between 8.30 - 8.45am and go straight to their classrooms. Please eave cases by the rear of the coach. Please do not drive to school where possible as it will be very busy at this time. We will keep you up-dated via twitter with photos of the trip. Please make sure you bring a packed lunch in a container that can be disposed of , plus a few snacks and two to three drinks as we will not be eating until 7pm on the Monday.

Children will be told which room they are in on arrival at the Artes Centre.

Friday 14th July 2023 – Collection Day - estimated time of arrival back at school to be around **2.45** – **3.00pm. Any change to this time will be sent out via twitter**. Please do not call the school office.

Year 6 School Books Amnesty

Year 6 children must return class and school library books **by Wednesday 19th July 2023**. Please search around your house and return all school library and school class library books to the school office or school library. School library books have a plastic cover and author on the spine and class library books have a Wallace Fields Junior School stamp inside the cover and red tape on the spine.

Leavers' Assembly 9.00am Thursday 20th July 2023 and other activities

We are celebrating our fabulous Year 6 children with a special assembly to mark this milestone in their lives as they transition from being primary school children to secondary children. All Year 6 parents are welcome to come into school to watch the assembly from 9.00am -10.15am.

After the Leavers' Assembly, they will follow the popular tradition of shirt signing. Please provide your child with a **permanent marker pen and a second clean shirt** to wear over their school uniform on Thursday 20th July. Year 6 shirt signing is a popular tradition, the shirt becomes a special keepsake of their memories and their friends over the school years. Children get an opportunity to collect autographs and signatures from their peers and staff in school. Years later, when they look back on their shirts, it brings nostalgia and fondness of the moments spent with people who made them laugh, helped them learn and were there with them on their exciting journey.

There are lots of **fun activities** planned for Year 6 including a 'Fun afternoon' pencilled in for Monday 17th July 2023.

YEAR 5

1 - Mr Hurd celebrated a milestone birthday and the whole of upper school sang happy birthday to him. Ava was also given a gift and the class and all the Year 5 staff wished her well on her departure to a new school. She will be missed. Mr Hurd will continue to grow old.

Year 5 Design and Technology

Any small cardboard boxes/shoeboxes for Year 5 D&T would be brilliant. We will need them on **Thursday 13th July** to make our alarm systems.

YEAR 4

Year 4 Mini Afternoon Concerts - Wednesday 12th July 2023

Year 4 have been working hard these last two terms learning how to read music and play the recorder. Having a goal is always beneficial and I know they are keen to demonstrate what they have learnt, so I have arranged a mini concert (it will only be about 15 mins long) for each class to perform a few short pieces to you on the recorder. It will also provide the opportunity for some of the singers who were not able to perform in the Year 4 music assembly to do so to an audience. The timing of the concerts are set within the normal lesson times for each class (plus allowing for sterilisation of recorders in between!) and are as follows:

4G - 2.00pm in the school hall

4J - 3.00pm in the school hall.

I realise this may be tricky for some if you are working, so I will record the performances and they will be posted on Twitter. We look forward to sharing our music with you. Mrs Johnstone (Music Lead)

If you would like to attend please click this link⁵.

YEAR 3

Year 3 Lego Robot Workshop

On Wednesday 12th July 2023, Year 3 have the opportunity to participate in a Lego Robotics Workshop! This workshop links Science and Computing together to offer the children an experience where they use their coding skills to create Lego robots. The workshop is free of charge which we hope the children will enjoy and give children a taster into working with robots. Miss Day.

Year 3 French Song

Here is the phonic song "Les Petits Chats" for Year 3 to practice if they wish.

Le Club Français

Wednesday 12.40 - 1.10 Beginners Years 3 & 4 ICT Suite Wednesday 12.10-12.40 Intermediate Years 4,5 & 6 ICT Suite

I will be running a French club for All Years at lunchtimes as detailed above, starting Wednesday 13th
September for 12 weeks. The last sessions will be Wednesday 6th December (there will be no club on 25th October as it is half term). The club will be run in 2 groups - I have split them into beginners and intermediates. New children, complete beginners will be in the 12-40 group and those children who have been learning with me for a while or whose level is beyond what is expected of their year group will be in the intermediate group at 12-10 (this will be the case for all of the children continuing from my current beginners club). This will mean the younger children in that group may have to go to a later lunch on that day, just so they are aware. I like to include songs and games and keep the sessions as fun and interactive as possible.

I will give the children a folder unless they already have one and I would encourage them to bring it

If your child is interested in taking part in French dub, please can you email me directly at <a href="mailto:tesselnem@btinternet.com/giving/our-childs name, year group ANO class, parent/giardian name, contact number and email. Can you also specify any allergy or health information I need to be aware of and if you give permission for me to take pictures (these will just be used internally to show you and/or their teachers progress in the language). And finally please can you let me know if they are complete beginners or have done French before/speak French at home os I know which group to put them in. Please can you ensure you pay £60 by bank transfer (details are at the bottom of the letter) prior to the club starting to ensure you secure your place. Places will be offered on a first come first serve basis and you will be notified directly if your child has been successful in gaining a place.

Best wishes

Spanish Club - Autumn 2023

áéíóúñü

Dear Parents/Carers,

As one of the three most widely spoken languages in the world and considered by the British Council as the most important foreign language to learn, Spanish will always be a great asset for your child.

Your child will have fun learning **Spanish** and **Microsoft Word** while creating their own Spanish comic; they can do their own drawings or use the ones done in previous years.

Here are some comics created in previous years.

Spanish Club will run on **Thursday at lunchtime** in the Computing Suite for 10 weeks, starting on **September 28**th. This year we will learn about food and how to order it.

Year 4 Science Club - Autumn 2023

Dear Parents/Carers of Year 4 children

Why study science? Science helps satisfy the natural curiosity with which we are all born: why is the sky blue, how did the leopard get its spots, what is a solar eclipse? Science is a way of discovering how things work today, how they worked in the past, and how they are likely to work in the future.

"Nothing in life is to be feared, it is only to be understood. Now is the time to understand more, So that we may fear less" Marie Curie - the only person who has won a Nobel Prize in two different sciences.

Science Club for Year 4 will run on **Tuesday** at **lunchtime** for 10 weeks, starting on September 12th – there will be no session on September 19th. It will take place in the **Computing Suite** from **12.40** to **13.10** and if the weather allows us, we will also have outdoor/messy/fun experiments. All the resources needed for the experiments are included.

Theatre Arts Club

Wallace Fields Junior School Thursdays/Fridays from 3:30 to 4.30 in the Hall

Years 3 to 6

If your child is interested in singing, dancing and acting out songs and scenes in a relaxed and friendly atmosphere then Theatre Arts Club could be for them!

Due to demand I hope to run this club on Thursday and Friday afternoons from 3:30 - 4:30 pm. It will commence on Thursday 14/9 and Friday 15/9 and there will then be 12 sessions (11 for Friday group due to INSET on 20/11). The last sessions will be on the 6/12 and 7/12 and we will hope to do a little performance in that session.

Places are limited to 25 children; the cost will be £84 (Thursday)£77(Friday) for the term. It might be sensible for your child to bring a small snack and drink to have before the session hadron.

I am a qualified Primary School Teacher with a passion for singing and acting, particularly in Musicals, and I was in many in my youth!

If your child would like to join, then please email me which day you prefer and your child's full details/class/any medical conditions/emergency contact details/email address/preferred method of

Please make payment to following BACS details Mrs A E Kennedy Account Number 66914949 Sort Code 60-17-12

Best Wishes, Amanda Kennedy Mobile: 07790 566878 Email amandak3nn3dy@gmail.com (Parent of Emma Kennedy past pupil)

I am delighted to let you know that the Wallace Fields Book Club will recommence in the Autumn Term for Years 3 and 6 on Tuesdays and Years 4 and 5 on Wednesday lunchtimes. Sessions will run *once a month* throughout the term.

As a published children's author and journalist, I am passionate about reading for pleasure. I fully believe in the power of a great story to change attitudes and lives. Book Club is a fantastic enrichment activity which has proved highly popular. During each monthly session, we discuss books and reading in a fun, informal way (no writing or comprehension involved), with the emphasis on reading for pure enjoyment. If your child is stuck on a particular gener or author, or you feel has yet to learn to lose themselves in a book, this is a great way to encourage them to read more widely, enthusiastically and frequently. After each meeting you will need to source the book for your child from Amazon, a local book shop or the local library. The school usually purchases a couple of copies of the books for the WFJS library, too. Your child will then have four weeks in which to read it alone, or with your support before our next meeting. The fee per child, per term is £15.

- What I offer:

 The opportunity for children to rediscover the joy of books and reading away from a formal classroom setting, with no expectations of SPAG, reading comprehension etc.

 An insight into the life of a working author and tips and encouragement for children who enjoy stories and might wish to write their own.

- ## Stow in confidence as they are encouraged to express and share their genuine views on the books they have read.

 ## Expand vocabulary organically as they read regularly and more widely.

 ## Explore the work of new authors and genres and begin to read outside their 'comfort zone'.

 ## Take part in monthly debates and fun termly quizzes.

 ## Love receiving video clips and messages from the authors of the books they're reading. Children at Wirls have heard directly from Helen Rutter (The Boy Who Mode Everyone Lough): David O'Connell (The Chocolate Factory Ghost) and Mitch Johnson (Pop I).
- Enjoy the chance to recommend books and authors to their peers.
 Receive an end of year Certificate acknowledging their reading.

To sign your child up and reserve their place please email me by the end of term on steph.clarkson@btconnect.com putting WFJS Book Club in the subject. I will then send you bank details and a full schedule for the term. (See below for testimonials from WFJS

I look forward to hearing from you, Stephanie Clarkson

Testimonials – here are just some of the lovely comments that parents have sent in:

'You've transformed Aaron from a reluctant reader to an avid and passionate reader. He loved your latest pick and read twelve books over the summer, which he can't wait to tell you about. You've awakened a love of stories and it's had a positive impact on his imagination too. Thank you!'

Voor A Daron

I want to share my thanks for setting up Book Club. This has proved such a valuable way of inspiring Annabelle to have a love for reading and a growing interest in books! Equally, I have seen a massive improvement in her reading ability which is wonderful.

Vear 3 Paren

My son has been in Book Club for three years and has grown so much more confident in his reading. The main benefit has been the way in which it has encouraged him to experiment with and try different genres and styles. He enjoys the group sessions and loves sharing his views during the discussions. Book Club has really helped reading become an integral part of Henry's daily routine.

Year 5 Paren

My daughter loves Book Club. Steph is imaginative, fun and her enthusiasm is infectious! My daughter has loved finding out about new authors and exploring complex topics in accessible ways. We read the books together and discuss them, so it has given us a shared interest too. This is such a great opportunity for young readers to talk about amazing books with a professional author.

Rock Up and Sing Choir

For the rest of this term there is no choir, though instead there is "Rock up and Sing". This is for all year groups and the children don't have to be a choir member to attend. If there is a song the children would like to sing, they are to come to the Music Room as soon as the bell goes for lunch to write it down. Children will then have their lunch at their normal time and then singing will start at 12.35pm on Mondays and Wednesday. Many Thanks, Mrs Johnstone.

Wraparound Care Provided by Junior Adventures Group - JAG!(formerly Energy Kidz)

Junior Adventures Group Club (JAG) provides excellent wraparound care at Wallace Fields Junior School. They run Breakfast Club from 7:30am until 8:45am and After School Club from 3:20pm until 6:00pm. From September, a new part session 4.30-6pm has been created for After School Club and is live on the JAG Magic Booking system (price is £11.00). This means your child can attend a Wallace Fields Club and then join JAG at 4.30pm at the reduced price. This is from September 2023 and available to juniors only.

We are so excited to announce the launch of Junior Adventures Group UK to all of our families, schools & leisure partners, and children. We hope you've enjoyed seeing the first day in action.

Late Collection Policy Update

Following on from our December communications as Energy Kidz & Fit For Sport regarding late bookings - we can confirm that our new late collection policy has taken effect. This means we can now not accommodate late bookings that are attempted to be made less than 60 minutes before a parent/guardian's desired session starts. As a reminder, we have informed all families registered with us in recent weeks.

We pride ourselves on being flexible for families, with adhoc bookings a popular feature for our families - however, to maintain high-quality care ensuring every child is safely welcomed to our clubs each day, our new late booking policy below will be effective immediately. We appreciate your support in this decision – please see the exact update below.

Please see the updates below:

All families can make a booking via their online account up to 60 minutes before the session – this applies to our Breakfast & After School Clubs. We recommend

junioradventuresgroup.co.uk

families book in advance and offer a range of flexible payment methods to support them on their booking journey.

Any families looking to drop their children at sessions not booked before the above trimings will, unfortunately, not be on our register and, therefore unable to attend due to safeguarding requirements.*

We want to thank you in advance for your support with this process – enabling us to maintain the safety of all children in our care.

** We will, of course do our utmost to accommodate children in the event of an emergency, where the child is already registered with us and where we have the relev-space (ratio, team members and capacity). We respectfully request that the school contact friendly customer care teams on 0333 577 1533 if this is the case.

General Reminders and News

Don't Forget to Order Uniform Early

PG Films Permission Opt-Out

At the very end of term, class teachers may decide to watch a film in class as a special end of term treat. Please email the school office by Friday 14th July 2023 if you DO NOT give permission for your child to watch a PG film. Your child will be given alternative opportunities for that session. Thank you.

Change of Times for September 2023

The Department for Education (DfE) have produced new guidance on the hours schools are open each week. We have liaised closely with the Wallace Fields Infants. The drop off time here remains as 8.40am and gates close at 8.50am.

The end times are changing to a slightly extended time for some classes.

Year 3 & 4 pick up at the main gate will be 3.30pm and Year 5 & 6 pick up will be 3.25pm.

Permission to walk home alone is allowed for all Year 5 and Year 6 children.

Year Groups	Start Time	Finish Time	Weekly Hours
Year 3 & 4	8.40am - 8.50am	3.30pm	33.3
Year 5 & 6	8.40am - 8.50am	3.25pm	32.9

Contacting Wallace Fields Junior School

In line with other schools, emails from parents and carers are via our very helpful school office team at Office1@wallacefields-jun.surrey.sch.uk⁷. Emails for staff will be forwarded on for you. If you accidentally use an old email you will receive an automatic message reminding you to contact the School Office at Office1@wallacefields-jun.surrey.sch.uk⁸.. Please include in the subject matter the child's name and class.

For urgent messages, absences or pick up arrangements please call 020 8393 0350.

Fridge Freezer Needed

We are in desperate need of a new or clean and working large fridge freezer (ideally an American sized one) for our staff room.

Please keep your eye out for a bargain for us, as we do not have any budget to cover the cost. We would also really appreciate any offer of help with a large car or van to collect one and deliver it to school?

Thank you in advance for any help you can offer. The staff will be very grateful.

Lost Property

Lost property is outside in the playground equipment storage area. If you need to look in the lost property, it is in a grey plastic outdoor chest. All labelled items are returned to the children. Unlabelled uniform is sold at the end of term and any unclaimed non-uniform is thrown away at the end of term. Please label as much as possible to ensure it is found and returned. Lots of jumpers with no names already filling it up and more water bottles with no names.

Water Bottles

With the hot weather, hydration becomes a priority and so the teachers and staff are ensuring that the children get plenty of water breaks and additional reminders to keep drinking water. Refill stations are available during both breaks. There is a new gimmick water bottle called 'Air Ups' that are expensive with costly cartridges that give a very slight smell to mimic flavour. Air Ups are not welcome in school as they are bulky and expensive and we have already thrown many unclaimed bottles from lost property this year. Please do not waste your money, but buy a simple water bottle with a secure lid and label it clearly with your child's name. Be aware that the school takes no responsibility for lost or broken water bottles, especially Air Up Bottles, though we will instantly return named bottles to their owners as soon as possible. Flavoured water and fizzy drinks are not allowed in school.

Stationery Reminder

Your child must have the right stationery in class and if not this impacts on everyone, disturbing them! Please ask your child to check if they need stationery. Class teachers may send your child home with a slip indicating which stationery they need. Parents may provide their child with a little cash so that they can buy replacement stationery as necessary. Children may purchase replacement whiteboard pens, glue sticks, pens and pencils at our stationery shop run by Year 6 prefects on Tuesday and Thursday break times (at the 4J window).
