HEAD'S UPDATE

Update on Our Willow Tree

We would like to share an update with you regarding the willow tree (in the corner of our lower field), which has been a much-loved part of school life for many years.

Last term, Surrey carried out an inspection of the school trees. During this check, a potential risk was identified and, as a precaution, the area beneath the tree was cordoned off. From that point onwards, children have not been permitted to be under the willow. This decision was taken to ensure everyone's safety, which has always been our highest priority.

During a period of high winds in the second week of the Easter break, a significant branch came away from the tree. We are pleased to confirm that this happened while the school was closed and the area was already out of bounds.

We would like to say a sincere thank you to **Mr Findlay** and local resident **Mr John Willson** for their help in cutting down and safely removing the large fallen branch. Their support was greatly appreciated.

A professional tree company will now be required to crown or cap the willow tree. This essential work may mean that we lose a significant part of the tree, which is understandably

sad. The willow is thought to be around 50 years old and has played a special role in school life and events over many years.

While we may see a very different version of the willow tree in the future, the work is necessary to keep the site safe. The tree will remain out of bounds until all work has been completed. Thank you for your understanding and continued support. We remain committed to keeping children safe while caring for our school environment and the memories that make it so special.

Bird Box Project

We had ten bird boxes donated to the school as part of the Surrey Primary Schools Birdbox Project and I mentioned in assembly that anyone interested in fixing up, sanding and treating the boxes should come forward and could take it on as a project. I had about 25 children come forward so I pulled names from a hat and distributed the bird boxes. Once treated these ten birdboxes will go up in our developing 'woodland area' and around the school grounds. Thanks to those children who have already treated and returned the birdboxes - they will look great around school site and hopefully the children are enjoying working on these mini projects with their parents. The end goal is encouraging wildlife into the school grounds and a meaningful opportunity to connect with nature.

Mr Darcy Our New Therapy Dog Arrives!

We recently said a fond farewell to Rufus, our much-loved reading dog, who has now trotted off into a very well-earned retirement. Rufus leaves behind a lasting legacy of calm cuddles and confident readers, and we wish him many happy naps ahead.

We are delighted to announce that a new four-legged colleague is joining the team, and he comes with excellent credentials and an impressive fluffy coat. Please give a warm Wallace Fields Juniors welcome to **Mr Darcy**, a rather charming poodle with a big heart for books.

Mr Darcy is a trained therapy dog who will be visiting us in school on Tuesday afternoons. He will be supporting reluctant readers and working with neurodiverse children who benefit from the calming and confidence-boosting effects of spending time with animals. Apparently, Mr Darcy is an excellent listener. Mr Darcy will be accompanied on his visits by his owner, Teja, and children will be selected by teachers to take part in reading and sessions. We are confident that Mr Darcy will quickly become a firm favourite and a positive presence around the school. We are very pleased to welcome this new pooch into the Wallace Fields Juniors team and will try and keep him away from Wallace the cat and our two therapy guinea pigs Chocolate and Cream.

THIS WEEK

Stars of Week

The latest Stars of the Week were announced in the assembly last week - they create a superb role model for their fellow peers through their efforts and commitment by following the school values. Nominated each week in our Celebration Assembly every Friday. All of the Stars of the Week receive a certificate and five house points for showing one or more of the school BELIEVE values - **Brilliance, Enthusiasm, Learning, Inspiration, Equality, Vision** and Every pupil matters. Well done to this week's winners.

Well Done to the Lower School Girls Football Players

Well done to the Year 3 & 4 girls who competed at the Epsom & Ewell tournament at Priest Hill on Tuesday 21st April 2026.

The Year 3 did amazingly well, coming 2nd against six other teams. They all played brilliantly but player of the match goes to Isabella who scored most of the goals.

Year 4 came fourth but out of eleven teams so lots of tough competition. The player of the match for Year 4 goes to Brooke O for some great goals.

We are sending another few Year 3&4 girls to a last minute tournament in Auriol on **Friday 24th April 2026**.

Mr Dowdeswell is hoping to arrange another match before the end of the season.

Thanks to girls football coach, Mr Dowdeswell for all his efforts and expertise as volunteer coach for the girls teams.

Year 5 - DJs in the Playground

It was the perfect sunny lunchtime for the first of two special lunchtime concerts showcasing pupils' own Bandlab compositions. Today four randomly selected 'DJs' - **Jake, Joe, Charlotte and Amelie**, introduced and played tracks composed by some of our Year 5 musicians. The audience was very receptive and creatively used the cones to tap along to the beats! It was a lovely addition to the lunchtime play.

Well done to all the pupils listed below, whose compositions were chosen to be played - there was a fantastic range of styles.5S: **Vihaan, Theo, Lander, Luca, Carter, Ethan, Aadya**5H: **Alma, Louis, Rory, Samuel, Alice Wa.**

Next week we will be showcasing some of the Year 6 Raps!

Mrs Johnstone. (Music Lead).

IMPORTANT INFORMATION

The PTA Colour Run is Fast Approaching - Sunday 17th May 2026

The WFJS PTA Colour Run!

- It's such a fun day so here's a reminder how much fun it is.
- A fab family day with a colourful fun run
- A bubble disco!
- A water huge fight!
- We also have NSS sports coming this year with all their inflatables!
- So it's all set to be a great day!

You have just over **ONE WEEK** to buy your tickets to ensure we have enough time to source and pack race packs. **Tickets will go off sale on MONDAY 4TH MAY**

Races will be set off **every 10 minutes** - if you would like to run with specific friends please make contact with them to discuss which time to book before booking - we cannot move runners after purchase.

Race times will be between **2:30pm - 4:30pm**

We will need lots of help to throw the paint and serve the drinks - **Please sign up for a volunteer slot** - it is much appreciated!

For tickets - remember to use your infant school login to buy tickets as this is a joint event:

<https://www.pta-events.co.uk/wfispta/index.cfm?event=event&eventId=112759>

Please contact Kelly Tebbs with any questions on 07813 663002

Congratulations Yellow House - it is Mufti Thursday 21st May 2026

Congratulations to **Yellow House**, who have won the Spring Term 2 house points. This is an extra special achievement as they have now won two terms in a row – a fantastic effort showing real commitment, teamwork and pride.

As their reward, pupils in Yellow House will enjoy a mufti day on **Thursday 21st May 2026**. On this day, children may come to school in mufti and are encouraged to wear something yellow if they have it.

Well done once again to Yellow House, and come on the other houses – it is all to play for, so keep going for those house points!

Year 3 Wisley Trip - Parent Helpers

On the **20th May 2026**, Year 3 are visiting Wisley Gardens to see the plants and flowers, linking to our science topic. We would welcome some volunteer parents for this trip to support supervision of the children. It would include being at school from 8:50 until we arrive back (at around 15:00 -15:30) but also popping in to see Miss Day the week before to understand the plan of the trip. This will be a quick 5-10 minutes on the **13th May 2026** after school. If you are able to join us, please could you **let Miss Day know by emailing the school office by Friday 1st May**. Thank you in advance for any help.

Year 3 - Change to PE Day - Wear PE kit on Tuesday 28th April 2026

On the week of the 27th April 2026, a Year 3 P.E day has changed. Please can children wear **P.E kit on Tuesday 28th April** and **Wednesday 29th April** - **not** on Monday 27th April 2026. PE days will then return to usual the week after.

Year 4 Music Assembly Tuesday 28th April 2.30pm

Mrs Johnstone was very impressed by the number of children who have put themselves forward to perform in the music assembly next week. All parents of musicians selected to take part have now been emailed and parents are welcome to attend the performance on Tuesday 28th at 2.30pm. Look forward to seeing you then if you are able to join us.

Year 4 - Ufton Court Residential Trip from 29th to 30th April 2026

Our school residential trip to Ufton Court is fast approaching and the final details and what to bring were emailed to parents (25th March 2026). A few key facts:

- No Pocket Money please.
- Please do not pack additional food and snacks.
- Electronics or chargeable items including **tracking tags are not permitted** on the trip.
- If you missed the medical meeting on Thursday 23rd April then please contact the School Office urgently
- Departure for trip is **07:10** on **Wednesday 29th April 2026**.
- **The emergency school mobile phone number has changed** - for problems arising on the evening prior to or the morning of departure. We will share with parents the new number as soon as possible.
- We return to school at approximately **15:00** on **Thursday, 30th April 2026**. Updates will be published on website.
- The children will be expected to attend school as usual on **Friday 1st May** although it will be an easy going day with calm curriculum/activities provided for the day.

Year 5 - Dance Festival Auditions Update

All parents of children who auditioned for the dance festival have now been contacted with whether their child has been selected, is on the waiting list or unfortunately was not successful. We had 22 children that came along to fill 12 places, all of whom tried very hard and had something to offer. We therefore had to look beyond the initial dancing to concentration, confidence and accuracy of timing and movement. Even then, it was an extremely tough choice.

Well done to the following Year 5 children who were selected to take part in the dance festival this year - **Mila, Alice M, Eva, Alice W, Alma, Jasmine, Charlotte, Nyla, Scarlett O,**

Darcie, Harper and Mia. It will be very important that all the selected children attend every rehearsal, as they will all have an integral part to play in the routine so if they are not there, it will make it more difficult to practise the dance. These rehearsals will take place every Tuesday lunchtime 12:30-13:00 in the Main Hall, starting on Tuesday 21st April 2026.

The Dance Festival show will be on the evenings of Tuesday 23rd and Wednesday 24th June at the Epsom Playhouse. There will also be an “all-day” rehearsal on Monday 22nd June 2026, when the children will get the experience of dancing on the stage with all the bright lights to an audience (the other performers!). On this day, the dancers will need parental transport to the Playhouse at about 09:15, and then will need to be collected from the theatre at approximately 15:15. I apologise if this causes any inconvenience but wanted to give you plenty of notice. Further details will be sent out nearer the time.

I am sure that you will want to come along and watch the show; tickets will be **available to purchase from the theatre box office and online from 6th May 2026** at www.epsomplayhouse.co.uk⁴. Please note: They sell out very, very quickly so please don't delay in booking your tickets to avoid disappointment.

Year 5 Residential Trip to PGL Marchants Hill – 5th May to 8th May 2026

An email went out today with the final reminders regarding the Year 5 residential trip. The key details were as follows:

- **Medicine meeting on Wednesday 29th April 8.50am- 9.15am** in Garden Room private one on one meeting. Please wait on playground until called. Bring clearly labelled medicines in original packaging with full written instructions.
- **£4.00 in pound coins for pocket money** should be sent to school in a clearly labelled sealed envelope by Thursday 30th April, if not done so already.
- **Small to medium suitcases please with no AirTags or tracking devices.**

Click here⁵ for more information about Marchants Hill.

Year 5 & 6 - Selected Swimming Continues

Swimming lessons are going well. Swimming continues on Monday mornings at Epsom College. Lessons will happen on the following remaining dates: **27th April, 11th and 18th May 2026. Year 5 only will be taking part during National tests (SATS) week.**

Remember swimming things (including costumes, towel etc) in a waterproof swimming bag and water bottle and snack.

Please remind your child they can **wear PE kit to school on Mondays**. We hope this will speed up changing and allow more swimming time in the pool.

Year 6 Bikeability - Few Final Spaces & Any Planned Absence

Thank you to all those who have signed up to take part in the cycle proficiency scheme. We have now almost finalised the groups. Small groups will be going out every morning for the 4 or 5 day course to fit around our busy Year 6 schedule during one of the following weeks commencing:

- **18th May 2026**
- **2nd June 2026**
- **22nd June 2026**

If you have any school inductions, transition days, doctors appointments or other events that will mean your child is not able to attend any days during the following weeks then please email Office@wallacefields-jun.surrey.sch.uk so we can assign your child in a suitable group.

There are still a couple more spaces but we will need you to sign up this weekend as the portal will close on Sunday 26th April 2026. The course is run by Surrey County Council so you will need to enrol and pay using the following link:

https://surreycycletraining.online/public/school_training/112056/

Please sign up as soon as possible so we can arrange suitable instructors but the final closing date is 17th March 2026. There is a charge of **£16.00 per child** for the training. This will be free for children who are eligible for Free School Meals (FSM) but they must still enrol online.

Please take time to ensure your child's bicycle and helmet is in good working order and to encourage your child to practice over the Easter holidays and leading up to the activity.

SAFEGUARDING and WELLBEING

At The National College, our WakeUpWednesday guides empower and equip parents, carers and educators with the confidence and practical skills to be able to have informed and age-appropriate conversations with children about online safety, mental health and wellbeing, and climate change. Formerly delivered by National Online Safety, these guides now address wider topics and themes. For further guides, hints and tips, please visit nationalcollege.com.

What Parents & Educators Need to Know about YOUTUBE

Almost anyone with an internet connection knows about YouTube. The Google-owned platform allows users to upload and share videos globally, making it a readily accessible resource with free content on almost any topic. However, with over 20 million videos uploaded each day, not all material is suitable for younger audiences.

WHAT ARE THE RISKS?

INAPPROPRIATE CONTENT

YouTube is free and can be accessed across multiple device types, even without an account. While some videos are marked as 'age restricted', this relies on uploader honesty and automated moderation, meaning children and young people may still encounter unsuitable content if these measures aren't taken.

TRENDS AND CHALLENGES

Popular trends and challenges can be entertaining and widely shared. While many are harmless, some can be risky or harmful if copied. For example, the 'salt and ice challenge' has caused injuries when imitated.

EXPOSURE TO EXTREME CONTENT

The platform's algorithm often promotes content that attracts high engagement, which can sometimes include videos containing extreme viewpoints, misinformation, or risky behaviour. As children and young people watch more of this content, similar videos are likely to be recommended by YouTube's algorithm, therefore reinforcing the exposure.

CONNECTING WITH STRANGERS

YouTube includes social features such as comments and direct messaging. This means young users can interact with people they don't know, potentially exposing them to inappropriate language, cyberbullying, or unwanted contact. Young content creators may be especially vulnerable.

SUGGESTED CONTENT

YouTube recommends videos based on what a user has previously watched. While this can enhance the experience, it may also encourage binge-watching and excessive screen time, particularly when Autoplay is enabled. Without an account, users are shown trending videos, which are not always age appropriate.

SHORT-FORM CONTENT IMPACT

YouTube Shorts – short, fast-paced videos – are designed for continuous viewing. This style of content can be highly engaging but may also contribute to increased screen time and difficulties with maintaining focus over longer periods.

Advice for Parents & Educators

CONSIDER YOUTUBE KIDS

YouTube Kids can help reduce young users' exposure to unsuitable content by filtering videos into age groups, such as preschool, younger, and older children. However, as moderation is automated, it should be used alongside active supervision.

CHECK PRIVACY SETTINGS

If a child in your care uploads content, consider setting videos to Private or Unlisted so they are only shared with trusted viewers. Disabling comments can also help reduce unwanted interaction from strangers.

USE PARENTAL CONTROLS

Google Family Link allows adults to filter content, monitor usage, and manage younger users' screen time. Supervised Accounts offer a gradual step up from YouTube Kids, enabling children to explore the platform with appropriate safeguards.

WATCH TOGETHER

Spending time watching YouTube with the children and young people in your care can help you understand what they enjoy and guide your conversations about content. Tools like Downtime in Family Link can also help limit unsupervised viewing.

A Guide to Help Parents and Carers Navigate the Challenge of Managing Children's Everyday Online Habits

The Children's Commissioner, Dame Rachel de Souza, has published a guide to help parents and carers navigate the challenge of managing children's everyday online habits.

The guide covers setting boundaries around phone use, talking about harmful content, and building ongoing communication that goes beyond a one-off conversation. The voice of young people runs through it as it was written with direct input from children and young people. The guide is designed to make difficult conversations easier and more regular.

Four versions are available to download: the main parent and carer guide, an activity pack for children, and print-ready single-page versions of both.

The downloads can be found here:

ACHIEVEMENTS

Alexandra United U9 Piranhas - Epsom & Ewell League Challenge Cup Winners 2026

Message from Alexandra United: I would like to inform the school of a fantastic achievement by some of the Year 4 boys listed below. They are part of the Alexandra United U9 Piranhas team, which went on to win the **Epsom & Ewell Youth League Club Cup**. I wanted to highlight this as many children do not go onto participant in a final in any sport let alone win the final, so we are extremely proud of them: **Hendrix R, John H, Luke K, Nico L, Oscar J and Musa T.**
