Our AMAZING Maths Quiz Club team SMASHED it in our first heat yesterday! They went in to the lead on question 3 and stayed there for the rest of the competition! Out of a possible 2100 points, we scored 1895! Absolutely amazing! Well done team! Also we would like to congratulate the other two quiz team candidates Diana J & Oliver D for being fantastic too but we could only send 4 participants to the competition.

SCIENCE FAIR

A truly amazing array of extremely engaging and thought provoking science displays at this year's Year 5 Science Fair in the hall. The children have worked extremely hard and the showcases were stunning. The hall burst into an exhibition of tables including investigations into alkalis and acids, infra-red alarms, metal memory, muscles and bones, heart function, paper planes, tooth decay, rugby and netball science, volcanoes, phosphorescence and fruit batteries to name but a few. Well done to all of them.

SPORTS NEWS

Yr 6 KWIK CRICKET TOURNAMENT

Friday 17th May we participated in the borough cricket tournament at the Epsom Cricket Club and played some fabulous games to earn ourselves a place in the finals. We played brilliantly once again but unfortunately, St. Martin's played slightly more brilliantly than us, so we finished as competition runners up. Well done to Ben G, Ben H, Billy, Daniel McN, Elliot, George K, James, Louis, Oliver W and a very brave Tristan from year 4 who stepped in at the last minute to ensure we weren't short of players and was amazing!

Yrs 3 & 4 MINI TENNIS TOURNAMENT

On Monday 20th May, a team of four Year 3's and four Year 4's competed in the borough tennis tournament at the Epsom Tennis Club. For most of them, this was their first experience of playing at all (which was the emphasis of the competition) although not all the other schools got that memo! We all had a lovely afternoon and the children enjoyed the experience, most / all of whom are keen to play more often now which is wonderful. Well played to Aaliyah-Zaina, Alex K, Freya P, Hannah J, Janine, Manny, Thomas W & Zac.

SPORTS KIT

Please can all outstanding sports kit (football, rugby & netball) be returned TO THE BOX IN 6C as soon as possible. Some football and rugby kits are being sent in without the red socks; please ensure complete kits are all returned. Any lost items will have to be paid for so that they can be replaced. Thank you.

DO YOU HAVE THE WRONG SCOOTER?

Please can you check that you have not picked up the wrong scooter by mistake from school. A purple JD Bug scooter with two small wheels which has been lost. There is one left at school but it is a slightly different model - with one big wheel at the front and a small wheel at the back. Please also note all scooters should be named. Thank you.

SCHOOL BOOKS AMNESTY

We have lots of school library and class books missing so please return any books you find. With many children away on school residential trips over the next few weeks, it is a good opportunity to tidy bedrooms. All will have a Wallace Field Junior school stamp inside them and a reading colour sticker on the spine, plus class books have a red label on the cover. No fines, punishments or sanctions will be involved so do not worry, just drop them back into the library boxes asap.
