HEAD'S UPDATE

Amazing Volunteers: A huge thank you to the parents and adults who volunteer here. They are a significant resource and do an amazing job hearing readers, helping teachers and supporting the activities in the classroom. It is such a hugely altruistic thing and we are hoping to build some profiles of our volunteers so you can find out a bit about our volunteering crew. In these difficult times they are a real asset. If you are interested in making a real contribution to life at Wallace Fields Juniors then please call the main office. Mrs Linda Boddy coordinates the volunteers and the only limitation is that you cannot work in your own child's class. All volunteers are DBS checked and undergo full safeguarding and conduct briefings with the deputy head before starting. It would be great to see you!

INSETS and Transition: I meet regularly with Mr. Hallums at the infant school and since I became head I have always ensured that the INSET days are matched to ensure minimal disruption for parents. We also meet to ensure excellent transition from infants to juniors and we have just completed the latest transition policy which smooths the path, reduces anxiety and ensures confidence as the children move closer to secondary education. The visits between the schools, the induction day and the special visits for the SEND children are all going ahead in the summer as usual this academic year.

IMPORTANT

INSET days confirmed for next year

Some parents like to know the INSET dates for the next academic year and so these have been agreed in line with the infant school to ensure minimal disruption or issues between the schools. The INSET dates have now been confirmed for the next school year as follows:-

- Friday 1st September 2023
- Monday 4th September 2023
- Friday 20th October 2023
- Monday 19th February 2024
- Friday 24th May 2024.

And a reminder that the INSET days this academic year include:-

- Monday 20th February 2023
- Monday 5th June 2023

School will be closed on these days. For the full term dates please click here¹.

THIS WEEK

Football Matches

The A, B and Girls team played Danetree on Thursday 12th January 2023.

Despite it hammering it down with rain it didn't stop the action. Danetree went ahead early on though Wallace Fields Juniors showed great skill and composure resulting in a flurry of fantastic goals and went on to win 6 - 2. The B had a very convincing win, proving to be a serious team to be reckoned with. The girls won 5:2 on their first game and really enjoyed it.

Next week on Thursday 19th January, the A team have a match with Cuddington Croft at home 3.15pm - 4.15pm and the B team and girls team will have training as usual. Parking: As there will be more cars in the area on Thursday 19th we would encourage parents to avoid driving if they can or park further away. Mr Sellars has sent stricter guidelines to visiting school to park further away and with more consideration. The visiting school have agreed to more car sharing to minimise impact on traffic following the gridlocked caused by inconsiderate parking. He has also reduced the number of matches. All access will be via the alleyway in Wallace Fields and not through the school to tighten safeguarding.

Celebrating Chinese New Year at Wallace Fields Junior School

<https://sway.office.com/6Hamj1XUK6pWmeb1#content=boP2hcj5Ue7Jz7>

A huge thank you to Mrs. Hiu who came into Wallace Fields Junior School on Wednesday 11th January 2023 as part of our celebrations of **Chinese New Year**. Mrs Hui shared many interesting and exciting details about how and why Chinese New Year is celebrated. She shared videos of children in Hong Kong schools and what their festivities included: special clothes and a delicious school dinner. She taught the children a song in Chinese and invited children from each year group to come to the front and perform the song with her. She gave the children who participated a red envelope (a traditional gift given to children at Chinese New Year containing lovely book marks. This is the year of the rabbit (2023) and we are saying goodbye to the year of the tiger (2022)

Those children who have a school dinner will be having a Chinese New Year themed lunch on Thursday 19th January 2023.

February 3rd is NSPCC Number Day!

February 3rd is NSPCC Number Day! As part of our commitment to make maths exciting and high profile in our school, we've decided to take part in a friendly competition involving schools in the United Kingdom. It's a 1-day competition which starts on Friday 3rd February 2023 at 07:30 GMT and ends at 19:30 GMT. It's all done online via play.ttrockstars.com².

Children can play in any game mode with every correct answer to a multiplication or division question, earning themselves, their class and the school a point. The Times Tables Rock Stars platform will calculate the class average (the number of correct answers per pupil in the class who play during the competition hours, subject to a 60-minute limit (see below)). Winning classes in the school and in the competition as a whole will be the ones with the highest average.

To support player wellbeing, there is a time limit of 60-minutes per player. In other words, each player can earn competition points for up to 60-minutes between 07:30 GMT and 19:30 GMT on Friday 3rd February. Once the player goes beyond 60-minutes of play on that day, they will still earn coins but will no longer earn points towards the competition

Virtual Reality Technology Day - 8th and 9th February 2023

On Wednesday 8th February and Thursday 9th February, we have an exciting opportunity for the children to experience Virtual Reality! We have booked a company called PrimeVR to come and deliver **a virtual reality experience** day at our school. PrimeVR provide Virtual Reality headsets for the children to explore and feel as though they are in a new setting – this could be linked to their Science, History or Geography topic. Each class will have a 45 minute session and delve into virtual reality.

We would like to thank the PTA who have kindly agreed to fund this important technology day for the children. However, for children to participate in this experience, we require all parents / carers to consent to the experience via the Google form.

We emailed all parents/carers on 10th January with more information and statements about the day which we need you to read and then complete a google form. Please note, children are unable to participate in the experience if we do not have a completed google form. Google Form for permission : [Click here](#)³

Volunteering At Wallace Fields Junior School

As Mr Lee mentioned in his update, we really welcome volunteers at Wallace Fields Junior School and some have been coming for years. A key reason volunteers come in to give their own time is to feel part of the community and give something back. From next week we will start a feature in the bulletin called **"Introducing - Spotlight on"** to raise our volunteers profile on who they are, what they do and why they love volunteering. This will give them recognition for their hard work helping your children and encourage others to sign up to volunteer.

Did you know a child that reads for 20 mins a day will read around 1.8 million words in a year?

We like the quote included in a tweet from Parrot Street Book Club ¹⁰a monthly book subscription service "Did you know a child that reads for 20 mins a day will read around 1.8 million words in a year? The more our children read the more vocab they absorb & the easier they will find it to articulate themselves, both now & in the future. Plus it develops critical thinking skills too." Click here¹¹ for lots of great reading resources from Wallace Fields Junior School.

Wellbeing at Wallace Fields Junior School

We have two fully trained ELSAs (Emotional Literacy Support Assistant), Mrs Bruen and Mrs Fowler who are available by arrangement to support any children experiencing emotional difficulties which are affecting their ability to learn and thrive at school, including anxiety, low self esteem or inability to form friendships.

We have appointed two Wellbeing Champions in school: Miss. Hallett and Mrs. Thompson. We are keen to ensure that every child is nurtured, encouraged to grow pastorally and has an opportunity to talk to a Wellbeing Champion if they have worries or are upset.

If you are concerned about your child's mental health or wellbeing, please contact one of the following: The class teacher, Mrs Bruen (ELSA), Mrs Fowler (ELSA), Mrs Thompson (Wellbeing champion) or Miss Hallett (Wellbeing champion). Click on the red envelope on our wellbeing page¹² or contacts page¹³ to email the staff member.
