## HEAD'S UPDATE

**Parking and Driving:** I have had a significant number of concerns and complaints about extremely disrespectful parking and driving. Please do not park on the double yellow lines, do not park over drives and do not do three point turns in the road as it is only a matter of time before someone is killed or seriously injured outside school especially at pick up. Use the turning circle at the bottom of Dorling Drive and please drive slowly and responsibly. I know the council will help more if someone is hurt or killed outside school but it should not need to come to that. Think of the children's safety and less about your own convenience. Thank you to all those who are careful and those who walk to school whenever possible.

**RAAC Concrete:** The DfE sent out advice and guidance for schools regarding the RAAC building material issue. RAAC is Reinforced Autoclaved Aerated Concrete. This form of concrete has shown to deteriorate and become dangerous, especially in ceiling and roof construction. Since then, Surrey County Council have contacted all of its maintained schools to send a surveyor in to double check any

<sup>2</sup><https://wallacefields-jun.surrey.sch.uk/calendar>

RAAC in its schools. The Surrey surveyor came into school on Monday and carried out a full site survey with the school premises officer, Mr Findlay. No evidence of RAAC found on site and I can confirm that the school remains secure and safe for all.

**Lost Property:** We are only in week five and we have a lost property box in the playground absolutely heaving full of mainly jumpers and school uniform. None of it named and so most will be sold by the PTA at the next used uniform sale. Plenty of it is brand new. Please take a minute to write your child's name in all the labels especially jumpers.

**Cross Country:** Very exciting Cross Country this year. The children were all fuelled up and ready to go. They got round the course in record time and Mr Sellars was very organised so next year we will have the heats closer together. Well done to all who finished. It really showed some top runners shining out in the crowd.

### Match Report - Cuddington Croft Wednesday 4th October 2023

Cuddington Croft football team came to Wallace Fields Junior School for our A team's first match on **Wednesday 4th October 2023**. It proved to be a fantastic game! WFJS set up many shots on goal which failed to find the back of net. It was Cuddington Croft who went ahead in the first fifteen minutes, though Wallace Fields junior School continued to play un-phased knowing it was just a matter of time until the goals started to flow.

The second half was nail-biting. A wonderful touch from Theo saw the ball hang in the air and drop into the top right corner putting us ahead 3-2. With Fraser solid in defence, more goals followed. Final result **Wallace Fields Juniors 5 Cuddington Croft 3**.

Thank you to all the players for such an entertaining performance and everyone who came out to support.

### Epsom College Music Festival - Tuesday 3rd October 2023

Over 40 members of the Year 4, 5 and 6 choir had a wonderful day at Epsom College Music Festival on Tuesday! They were superbly behaved and sang beautifully. Thank you to Mr Paul Johnson-Hyde and his team at Epsom College for enabling us to be part of such a fantastic event. ## Harvest at Wallace Fields Junior School

Harvest Festival is a celebration of the food grown on the land. Food donations enable us to give back to those most in need in our local community and we all can play a part in fighting food inequality. Last year, we raised a whole car load full of food donations thanks to our kind and generous community! We were so impressed and grateful.

Please do not include perishables and please ensure the "use by" dates are up to Spring 2024. How about items such as small tea, tinned salmon, pickles, chutney, small jars of jam or honey, biscuits or crackers?

We are encouraging children to collect food donations in their classes **until Monday 16th October 2023**. (This is the closing date for donations). The class with the most donations will get a special treat (some Golden time).

See the video below for more details;

### Gardening Club and Donations Needed

Thank you Mrs Xuereb for joining Mrs Dodd to help with gardening club on a Tuesday lunchtimes. This week we got lots done and had 17 children eager to help. If any parents have **any small hand trowels and forks and any gloves** that they could donate we'd be very grateful and if they are at the garden centre buying **bags of garden compost** to think about buying an extra one for us please. Next week we hope to finish the weeding and preparing and plant some garlic and onions. After that we will be looking at cauliflower and carrots / broad beans / potatoes and spring cabbage planting before the winter months set in. Our pumpkins are not as prolific as last year but we have 3 that we will be asking you to guess the weight of at our school tea parties soon. Thanks

## ONLINE SAFETY

At National Online Safety, we believe in empowering parents, carers and trusted adults with the information to hold an informed conversation about online safety with their children, should they feel it is needed. This guide focuses on one of many games which we believe trusted adults should be aware of. Please visit [www.nationalonlinesafety.com](http://www.nationalonlinesafety.com) for further guides, hints and tips for adults.

# What Parents & Carers Need to Know about AMONG US

A multiplayer 'social deduction' game set in outer space, Among Us enjoyed a surge in popularity in 2020, and has since maintained a dedicated fan-base (globally, around 60 million regular players each month) thanks to its unique nature, simple premise and ease of access across numerous platforms. The game's on-screen action revolves around danger, disguise and deception – and there are certain parallels to be drawn with some of the real-life risks that parents and carers of young Among Us players need to be aware of.

**AGE RESTRICTION**  
7  
PEGI

**WHAT ARE THE RISKS?**

**SENSITIVE PREMISE**  
In Among Us, up to three players are secretly assigned to be alien imposters, tasked with murdering their colleagues while the survivors try to unmask them. While the concept's not far removed from traditional games like Wink Murder or TV shows such as The Traitors, some parents may feel uncomfortable about their child playing a video game in which deception and killing are prioritised.

**GOING OFF PLATFORM**  
While Among Us provides basic ways to communicate, many gamers prefer to use external services such as Discord – a popular app which offers voice and video chat functions. These undeniably make cooperation easier, but also create a potential route for children to hear inappropriate language – or for strangers to message them privately in an environment which isn't regulated by the game itself.

**VIRTUAL VIOLENCE**  
The on-screen death of characters may be fundamental to the gameplay of Among Us, but the majority of the animations depicting this are deliberately cartoonish and only appear very briefly. However, it is worth bearing in mind that the game has a PEGI age rating of 7 – meaning that certain elements (however heavily stylised they may be) could still upset some younger players.

**IN-GAME PURCHASES**  
Among Us is free to download on mobile devices, and costs less than £5 to obtain on console and PC. A related longer-term pitfall, though, is that the game also includes options to pay for upgrades such as removing ads on the mobile version or adding cosmetic touches to characters (such as different costumes). It's certainly possible that a child could spend a significant sum without realising it.

**CHAT BETWEEN PLAYERS**  
With up to 15 people participating in each game online, a large part of Among Us' appeal is specialising with fellow players who the imposters might be and making accusations. This dialogue through the in-game text chat can occasionally become heated – and could, of course, involve your child being put into contact with people (including adults) who they don't know in real life.

## Advice for Parents & Carers

**CONSIDER SOFTER ALTERNATIVES**  
Although Among Us is hugely popular with young gamers, it's possible that some children might find the murder themes unsettling. If so, plenty of similar social deduction games are available (in both digital and traditional board game formats) which downplay the potentially gristlier elements, some centre around undercover spies, for instance, and there's even a Marvel superhero-themed variant.

**CHAT ABOUT CHATTING**  
You might feel it's prudent to talk to your child about the risks associated with voice chat while gaming, explaining in particular that strangers online aren't always who they claim to be. Keeping the conversation relaxed will reinforce your child's confidence that they can always come to you with any online concerns – not just about Among Us, but any potential future issues as well.

**DISCUSS DISCORD**  
In general, Discord is an excellent app for keeping online communities together because of its use of dedicated individual servers, which allow comprehensive control over who can join – and who can't. Once you're familiar with the platform, you could set up a secure server for your child and their friends to communicate during games of Among Us, with no access for people they don't know.

**AMONG US, AMONG FRIENDS**  
When your child and their friends get together, they can enjoy a private game of Among Us by choosing a 'local' lobby – that is, only people connected to the same Wi-Fi (your home network, for example) can enter. This prevents any random online users – who may be total strangers – from joining and removes the need for voice chat, as the players are all physically in the same location.

**STOP SURPRISE SPENDING**  
If you're concerned about the possibility of your child racking up an unexpected bill on Among Us' microtransactions, you could consider using a prepaid card with a set limit. Likewise, you could specify in the game's options that adult authorisation is required for every purchase – or you could make sure that no payment methods are enabled on the device that your child plays the game on.

**Meet Our Expert**  
Hayd Coombes is Editor in Chief of gaming and esports site GORecon and has worked in the gaming media for around four years. A regular visitor to the App Store to try out new titles, he's also a parent who understands the value of online safety. Writing mainly about tech and fitness, his articles have been published on influential sites including iDN and TechRadar.

## WELLBEING

### Well-being Top Tips for Positive Parenting

Leslie Lane ran a Positive Parenting Workshop at Wallace Fields Junior School last week and all those who attended found it very useful. The top tips were as following:-

**REMEMBER : There is a reason behind every behaviour. All behaviour is emotion driven.**

#### Use Empathy

Try to put yourself in their shoes. What is the emotion driving the behaviour?

Steps for giving Empathy

1. Stop what you're doing
2. give full attention and listen
3. give appropriate eye contact/body language and facial expressions
4. Try and find the feelings behind the words
5. Tentatively suggest the feeling behind the words, or actions, e.g "It sounds like....you seem....."
6. Allow them to tell their story if they want to, or walk away, or be silent as they wish.
7. Avoid questioning, commanding, giving advice or instructions
8. Do use gentle touch if appropriate
9. Keep focused on the person's feelings
10. Avoid fixing it or over reacting
11. Pause after the empathy (give time) to allow the child to come back (it could open up the conversation).

Empathic phrases that can help

- "I'm wondering ....."
- "You seem....."
- "It sounds as though....."
- "You sound....."
- "You look....."
- "It can be hard when....."
- "I can see....."
- "It seems as though....."
- "I can hear that....."

For all the notes from the workshop please see the handout on our website by clicking here<sup>4</sup>.

### **Wraparound Care Provided by Junior Adventures Group - JAG!**

**Junior Adventures Group Club (JAG)** provides excellent wraparound care at Wallace Fields Junior School. They run Breakfast Club from **7:30am until 8:40am** and After School Club from **3:25pm until 6:00pm**. From September, a new part session 4.30pm -6.00pm has been created for After School Club and is live on the JAG Magic Booking system (price is £11.00). This means your child can attend a Wallace Fields Club and then join JAG at 4.30pm at the reduced price. This is from September 2023 and available to juniors only.

It would be very helpful if all parents could register on JAG <https://www.junioradventuresgroup.co.uk/term-time/after-school-club/> even if they never use JAG during their time at WFJS. This would allow a late pick up in an emergency. JAG cannot take unregistered children due to them being under a different Ofsted registration. The office cannot look after a child beyond school day and those children who are regularly picked up late must register with JAG.

### Would You Like the Newsletter in a Different Language?

We published the Wallace Fields Junior School Newsletter in Traditional Chinese to those parents who we have identified as being Chinese speaking. If you would like to be included in this cohort, excluded from this or you would like us to translate into other languages please email the School

Office on [Office1@wallacefields-jun.surrey.sch.uk](mailto:Office1@wallacefields-jun.surrey.sch.uk)<sup>7</sup> confirming your name, child and which language. We will also produce the reports in the languages you have requested. Thank you.

### 500 Word Story competition

500 Words, the UK's most successful children's writing competition is now open for submissions and will run till Friday 10th November. We would love for some of our amazing children to enter the competition and let us see some of their entries. The two age categories are 5-7 year olds and 8-11 year olds and children of all abilities are encouraged to enter. There are some amazing judges this year and it is once again supported by Her Majesty, The Queen.

All the stories must be:

- 500 words or less (the title is not included in the number)
- be written by an individual not a group
- be a child's original idea
- be narrative - not rap or poetry
- The stories must not:
  - give any personal data or details about the child
  - recount a historical event

The stories are judged on the following criteria: characterisation, plot, originality, language and enjoyment.

If you click here,<sup>8</sup> you will find far more details, hints and tips about entering the competition - and we would love to see and read some - so please send in some entries to our English Lead, Mrs Crabb so that they can be displayed and celebrated in school. Good Luck!

### Lego Donations Requested

Do you have any clean Lego in good condition that they no longer need or wish to tread on? We are looking to possibly set up a Lego club and are looking for donations, particularly base boards, wheels, axles and characters. It is very expensive to buy new, so the children would be really grateful for any donations? We really hope we can start this club soon and showcase our creations.

### **Making the Roads Safer**

If possible, please walk to school. Mr Findlay is always on duty to ensure the traffic remains calm and controlled. Drive slowly and respectfully and please park on one side of the road and not over the resident's drives. Obviously, do not park on double yellow lines and please give way to avoid gridlock. Use the turning circle at the bottom of Dorling Drive to maintain the flow of traffic. Avoid three point turns in the road as this blocks and is dangerous to children and other pedestrians. Thank you for putting the children's safety first.

## Discover Dad's Army Saturday 7 October 1pm to 2.30pm

On Friday 10 May 1940, the Germans had started their attack on Belgium and the Netherlands, using soldiers dropped by parachutes. British troops in mainland Europe were pushed back to the Channel ports and many people feared that the Germans would soon invade. To protect Britain, a new part-time force was to be set up, the Local Defence Volunteers. The Government made an urgent appeal on the radio to all men aged between 17 and 65 to become part-time soldiers. Within 24 hours of the radio broadcast a quarter of a million men had volunteered. Many men who joined the Home Guard when they could not join the regular army because their day-time jobs were necessary to keep the country running.

## CAVE PAINTING

Tuesday 24 October

11am-12pm & 2pm-3pm

In the deep time of prehistory early men crawled down into the darkest caves and used light from primitive candles to paint pictures of themselves and the animals they hunted.

They left behind a vivid record of their way of life and some clues of what they believed in. Discover how and why these paintings were created.

Then by flickering light try to create your own cave painting in our very own 'caves'
