Falling

A Stunning thing once happened to me. Meandering in the thrilling woods one day, I suddenly changed direction. I tripped and found myself sinking deeper, deeper and deeper.

When I woke up, I was in a gloomy and eerie place. I could see the wonderful emerald fields and the Sapphire Sea. Soon I realised I was lost. Completely lost. I got up and started walking along the emerald field.

A Strange girl

Suddenly I saw a girl a strange girl. I walked closer to the girl to get a better look. The girl came to me and started looking all around me like a dog sniffing people. I did not know what she was doing but when she stopped I said "Hi! I'm Robert, what's your name?" I managed to say.

"Umm?" replied the ^{curious} strange girl.

★ The girl took me to a very strange place.

A bear!

Fantastic descriptive language (1d/17)

L.O. How can we sequence our story?

LW (EXP)

Stone Age Boy

An astonishing thing once happened to me. I was invited by a strange girl to her home. ^{It wasn't an} ~~at~~ ordinary home it had no bricks instead it was built with wood and stone. I found out my new friend's name was Om. Even though Om's family were strange ^(but) they were kind and offered me some food.

The next days Om's people taught me to sharpen flint, pierce holes in animal bones and to cook ^{young} food. That evening we joined around the campfire and ate juicy meat. I fell asleep for thirty minutes while Om did her daily jobs. For the next few days I helped Om with her jobs. A lot

* After the tiring days we all took our spears and went ^{sun} fishing. We caught over 50 different types of fish. Then, we went home and we all ate the fish.
