PROSPECTIVE PARENTS INFORMATION FOR YEAR 3 PUPILS SEPTEMBER 2021

Dear prospective parents/carers,

A very warm welcome to Wallace Fields Junior School!

We hope that you and your families are well and we are so pleased that you have chosen to look at our school. Starting a new school is a big step in a young child's life and we aim to help you with your choice of school as much as possible.

We would love to meet you all in person and would normally host an open evening with the children, who take you round on a tour themselves, as well as model the school uniform. However, at this time, to protect our children and colleagues, we are unable to do so.

In the meantime, we are trying to make choosing your new school as supportive as possible, and still provide you with all the information you need.

The best place to start is with the School Tour video. The tour gives you a glimpse at the key areas of the school such as the Year 3 classroom, the library, the canteen and introduces some of the staff at Wallace Fields Junior School <https://youtu.be/v8oYy5CoC9g>.

We hope that this will give you some insight into our school. Sadly, we cannot show you many of our other areas around school. We have a lovely Eco and woodland area and huge field for sports and games. We also have a big playground with brand new playground markings, a bike and scooter rack and an adventure trail.

We have prepared a video presentation for you to watch and this will walk you through the 'Wallace Fields Way' and hopefully will answer many of your questions. I am sure you will see why some of our children say, "It is a kind and connective place" and "It is very fun at school."

Please explore our comprehensive website, which will give you lots more information <https://www.wallacefields-jun.surrey.sch.uk/>.

Also, you can follow us on Twitter <https://twitter.com/wallacefieldsjs> to see a glimpse of life inside our school.

If you apply for Wallace Fields Junior School on Surrey Admissions and are successful in your application, there will be more opportunities for your child to make links with their teacher next year and we will be in touch with further information.

We very much hope to share our Wallace Fields' educational journey with you. **We will 'BELIEVE' in your child and will help them reach their full potential, with your support.** Each child has their own unique blend of talents, skills, aspirations and abilities. Appreciating and developing these qualities on the journey from primary to secondary school is a privilege and a responsibility that we take very seriously.

Yours sincerely,

Mrs Andréa Day
Acting Headteacher
