

Year 4 Science Club - Autumn 2023

Dear Parents/Carers of Year 4 children,

Why study science? Science helps satisfy the natural curiosity with which we are all born: why is the sky blue, how did the leopard get its spots, what is a solar eclipse? Science is a way of discovering how things work today, how they worked in the past, and how they are likely to work in the future.

*"Nothing in life is to be feared, it is only to be understood.
Now is the time to understand more,
so that we may fear less"*

Marie Curie - the only person who has won a Nobel Prize in two different sciences.

Science Club for Year 4 will run on **Tuesday** at **lunchtime** for 10 weeks, starting on September 12th - there will be no session on September 19th.

It will take place in the **Computing Suite** from **12.40 to 13.10** and if the weather allows us, we will also have outdoor/messy/fun experiments. All the resources needed for the experiments are included.

To book a place for your child, please send payment and email their details by Thursday 7th September.
