

## Year 4 Science Club – Autumn 2025

Dear Parents/Carers of Year 4 children,

Why study science? Science helps satisfy the natural curiosity with which we are all born: why is the sky blue, how did the leopard get its spots, what is a solar eclipse? Science is a way of discovering how things work today, how they worked in the past, and how they are likely to work in the future.

*“Nothing in life is to be feared, it is only to be understood.  
Now is the time to understand more,  
so that we may fear less”*

Marie Curie – the only person who has won a Nobel Prize in two different sciences.
