

Year 6 Science Club – Autumn 2024

Dear Parents/Carers of Year 6 children,

Why study science? Science helps satisfy the natural curiosity with which we are all born: why is the sky blue, how did the leopard get its spots, what is a solar eclipse? Science is a way of discovering how things work today, how they worked in the past, and how they are likely to work in the future.

“Nothing in life is to be feared, it is only to be understood. Now is the time to understand more, so that we may fear less”

Marie Curie – the only person who has won a Nobel Prize in two different sciences.

Science Club will run on **Thursday after school** for 7 weeks. For the first time in over 10 years, I’m afraid I do not know when it will start. What I can tell you is that it will take place in the **Computing Suite** from **3:30pm to 4:30pm** and if the weather allows us, we will also have outdoor/messy/fun experiments. All the resources needed for the experiments are included.

At the beginning of the autumn term, I will let you know when will the club start.

To book a place for your child, please send payment and email me their details **by Friday 6th September**.

On-line payment to L Hernandez Ortiz
account number: 13617521
sort code: 20-29-90
ref: Y6 Science + your child’s surname
amount to pay: £70.00

Please let me know if you have any
problem with on-line payment.

E-mail me:

- their name
- class – if known
- medical conditions, dietary restrictions and/or allergies
- if they can/cannot walk home alone
- if photos and videos can/cannot be taken – to be shown only at WFJS
- your name
- your emergency contact number

If you have any questions please do not hesitate to contact me.

Yours sincerely,

Lorena Hernández
