

## Year 6 Science Club – Autumn 2025

Dear Parents/Carers of Year 6 children,

Why study science? Science helps satisfy the natural curiosity with which we are all born: why is the sky blue, how did the leopard get its spots, what is a solar eclipse? Science is a way of discovering how things work today, how they worked in the past, and how they are likely to work in the future.

*“Nothing in life is to be feared, it is only to be understood. Now is the time to understand more, so that we may fear less”*

Marie Curie – the only person who has won a Nobel Prize in two different sciences.

Science Club will run on **Thursday after school** for 10 weeks, starting on September 11<sup>th</sup> and finishing on December 4<sup>th</sup>, please note there will be no lessons on October 23<sup>rd</sup> and November 6<sup>th</sup>. It will take place in **6G** from **3:25pm to 4:25pm** and if the weather allows us, we will also have outdoor/messy/fun experiments. All the resources needed for the experiments are included.

To book a place for your child, please send payment and email me their details **by Friday 5<sup>th</sup> September**.
