

Year 6 Science Club – Autumn 2026

Dear Parents/Carers of Year 6 children,

Why study science? Science helps satisfy the natural curiosity with which we are all born: why is the sky blue, how did the leopard get its spots, what is a solar eclipse? Science is a way of discovering how things work today, how they worked in the past, and how they are likely to work in the future.

“Nothing in life is to be feared, it is only to be understood. Now is the time to understand more, so that we may fear less”

Marie Curie – the only person who has won a Nobel Prize in two different sciences.

Science Club will run on **Thursday after school** for 8 weeks, starting on September 24th and finishing on November 26th. It will take place in **6H** from **3:30pm to 4:30pm** and if the weather allows us, we will also have outdoor/messy/fun experiments. All the resources needed for the experiments are included.

- To book a place for your child, please email me their details by Friday September 4th.
- Please note, places are limited to 18 children and spaces are given on a first-come basis.
- I will send you details on how to make payment in September.

Year 6 Science Club

- Thursday after school in 6H
- 8 weeks
- 3:30 to 4:30
- £88.00

If your child is entitled to financial help, please contact the school office.

E-mail me:

- their name
- class – if known
- medical conditions, dietary restrictions and/or allergies
- if they can/cannot walk home alone
- if photos and videos can/cannot be taken – to be shown only at WFJS
- your name
- your emergency contact number

If you have any questions, please do not hesitate to contact me.

Yours sincerely,

Lorena Hernández
