19th March 2024

Dear Parents/Carers

Year 6 Maths Breakfast Club

Starting on **Tuesday, 16th April and running until Tuesday, 7th May (4 weeks)**, there will be a weekly Maths Breakfast Club running for Year 6 children at 8:00am until 8:45am. The club will be an informal session where children can work with their peers and friends on SATs style reasoning questions. We hope that revising with friends and sharing ideas in an informal setting will increase the children's confidence and resilience when facing maths problems.

Baked goods, such as croissants and pain au chocolates, will be available to eat whilst they are working!

The club will be open to everyone in Year 6. It is optional.

Please give your permission via our School Gateway App if your child would like to attend. If your child has signed up and cannot make one of the weeks, please let the office know (ideally the day before) so that we are not looking for them if they do not arrive at 8:00am.

If you have any questions, please contact Mrs Saxby or Mr Catterall via the school office.

Many thanks,

The Year 6 Team
