In the news this week

Pupils in England will have the choice to take a GCSE exam in British Sign Language (BSL) from 2025. BSL is a form of communication using hand gestures and other movements. Pupils, who take the subject, will learn around 1,000 different signs. Fairfield High School (pictured in this week's poster) already runs a successful extracurricular club in response to pupils' interest in learning BSL.

Things to talk about at home ...

- > Have you ever used sign language or seen it being used by others?
- > Is sign language a language you would like to learn? What do you think are some of the advantages of learning sign language?
- > Are there any other skills or subjects you believe would be useful to learn at school?
