In the news this week

This summer, the 2024 Olympics, held in Paris, will run from 26th July to 11th August, and the Paralympics will take place from 28th August to 8th September. The Games will see the world's greatest athletes come together in France's capital city to compete for their place at the top of the podium. For many athletes, these Games are the peak of their sport, with a gold medal as the highest accolade. The competitors are likely to have spent months and years training for numerous hours per day to prepare.
