What impact can music have on our lives?

In the news this week

Following a ten-year campaign, music exam boards have announced they will now be including Sikh sacred music, also known as Kirtan, on their syllabus. It will be examined alongside violin and percussion instruments. The campaign to get the music recognised was led by Dr Harjinder Lallie, the co-director of Birmingham-based Gurmat Sangeet Academy.

Things to talk about at home ...

- Have you ever learnt to play a musical instrument? Would you like to?
- What type of music do you like listening to? Ask others at home what they like to listen to. Is it the same as or different from what you like?
- Can you think of times when we listen to music or make music with others?
