Dear Parents/Carers

18th October 2023

YEAR 2 GREAT FIRE of LONDON EXPERIENCE

To support their topic on The Great Fire of London, we have arranged a visit by Delve into History for our Year 2 children, on Tuesday, 24th October 2023. The children will complete a workshop throughout the day. During this time, they will listen to the story of The Great Fire of London and recreate the five days of the fire. They will have time to look at and handle historical artefacts and take part in a 'bucket and chain' activity to 'help put the fire out.

This will be an absolutely amazing experience for the children to enhance their learning, and is something extra that we are doing at Walmsley from this school year, both to provide hands-on experiential learning, and to replace **some** of the trips we organise; instead of taking the children out of school and paying for a coach, so will reduce the cost impact on parents. We will still be aiming to take all year groups on three external trips per year.

To help cover the cost of this experience, we are asking for a contribution of £8.00 for each child please.

Payment is to be made using the School Gateway App (child's name/payments/The Great Fire of London Experience) - to be made by 25th October 2023. Cash or cheques (payable to Walmsley CE School) are also acceptable at the moment, in which case you will need to complete the slip below and return it to school with payment – we can only take these forms of payment up to the 25th October.

Thank you

Mrs Peploe & Mrs Orlinski
