Friday, 2nd February - NSPCC Number Day

It's maths, but not as you know it!

We are taking part in the **NSPCC Number Day**. We are inviting children to come into school 'dressed for digits' for a small donation. Children may wear non-uniform with an item of clothing which has a number on it. This can be a favourite sports top, cap, t-shirt or onesie, or they may like to get creative and design something with a number on! All proceeds will go to the NSPCC. In class, the children will do some number based activities and games.

Many thanks in advance for your support - Mrs Saxby

Thursday, 7th March - World Book Day

Children may come to school on this day dressed as a character from their favourite book. Please do not worry about expensive costumes.

To celebrate World Book Day we will also be having a book fair after school from Wednesday, 20th March to Tuesday, 26th March. More information to follow.

Thursday, 2nd May

Bolton Council Elections have confirmed that Walmsley School will be used as a Polling Station. School will be closed to all pupils on this day.

What's happening in the News this week? Is an e-reader better than a book?

Bolton NHS Talking Therapies

Bolton NHS Talking Therapies provides **free confidential talking therapies for adults aged 16 years** and over. They can support people who are experiencing symptoms of stress, anxiety and depression by providing brief psychological therapy to address the difficulties that they are experiencing.

Most people tend to find out about this service via a GP, however they are trying to create awareness and break down barriers to accessing psychological therapy by encouraging people to self-refer to their service if you or someone you know is struggling.

Please follow the links below for more information.
