Online Safety Warning - Poppy's Playtime Advice for Parents

It has been brought to our attention that some of our children are talking about an online horror game. It is called Poppy's playtime and is based on a toy which chases you around a toy factory. There is no official rating for this game, however, it is causing some of our children distress.

The toy in this game is called Huggy Wuggy.

This game is not suitable for primary school children. Please could we ask you to reiterate this message at home.

ROAD SAFETY - We have received this week reports of cars speeding through the lights at our school crossing as they are turning to red. Please could you remind your

child to check cars have completely stopped before crossing the road.

School meals for the next half term, up to Easter, will be **£57.50**. If your child would like to change their meal preference after half term, please email the school office advising of the change.

A message from the PTA...

The 'Love to Dance Disco' raised an amazing £943.93!

On behalf of the PTA, I would like to say a huge thank you to our parent volunteers, teacher volunteers, parents for supporting us again with your generosity and of course all the wonderful children that were so well behaved on the night.

It is always great seeing the children having a brilliant time whilst creating lasting memories with their friends.

Hope you all have a lovely half term break.
