Walmsley's ECO Refill Shop

A huge thank you to everyone who supported our Eco Refill Shop on Friday, 14th February. It was a great success and the children involved, both on selling day and behind the scenes setting up the business, have done a wonderful job.

Our next selling day will be **Friday 14th March**. Please bring your empty bottles for refilling along to our shop. We will be restocking the popular **coconut body wash** which we had sold out of; please look out for forthcoming advertising as we hope to have some new additions to the range of products we are selling.

The aim of our shop is to take just a small step to help look after our environment by reusing plastic.

In the meantime, if you have any used plastic bottles (shampoo, conditioner, shower-gel, hand-wash, washing up liquid, bubble bath or water bottles) we are collecting them to use at our Eco Refill Shop.

Please send them into school and your child could earn some dojos for their help. If you need any top ups before our next selling day, please get in contact and mark any emails for Year 6 Eco Team.

Many thanks
Year 6 Eco Team.

School Meals

Children's school dinner money's are payable in advance of meals being taken; payment is due on a Monday morning or at the beginning of each half term. Our preferred method of payment is via the My Child at School App (under 'Dinner Money' on the main dashboard).

The MCAS system will send automatic emails if any balance is due for your child.

In addition, you may receive an email from the school office, again via the MCAS system, to advise you that payment is overdue – this may first appear in your email junk/spam folder, so please ensure your email settings are adjusted accordingly.
