PTA Funding

Update from Rebecca Pendlebury regarding PTA funding to go towards the building fund.

As the budget is so tight and we cannot fund the contribution towards the building our staffing will be impacted upon and this will result in mixed year groups instead of running as a two form entry school with 23/25 to mixed year groups of 30. Therefore, this could result in Year 4/5 mix and Year 1/2 mix.

Parents volunteered fund raising ideas but we need parents to volunteer to support these.

Parents expressed their wishes through this forum that the ramifications of the impact of this lack of funding would have on school be clearly laid out. That this lack of support will result in staff losses, no replacement of staff who leave, lack of furniture.

Could any parents get match funding for Easter Egg Bingo.

'Build a Friday' – after Easter every Friday to be own clothes.

A date was set for a Crisis Funding Meeting – Tuesday, 30th April.

Smartie Tube Challenge

This is to be launched after Easter.
