Please support our PTA with Project Playgrounds!!

The PTA are working hard on raising money for our new Key Stage 1 and Key Stage 2 playgrounds. How can you help?

- Volunteer to help at our **Family Fun Day on Saturday, 9th July**. Your employer may also be able to help us by offering **Match-Funding**.
- Organise artwork for producing the **Walmsley School Jubilee Book**, a keepsake that will be available for parents to buy very soon.
- Ask a **business to sponsor the PTA** and the **school will promote the business** on all correspondence.
- You can donate your time to **join PTA meetings** / coming up with new ideas to raise much needed funds. All welcome!
- Please read the Walmsley School newsletter for events and information on how you can support the Walmsley School PTA.

Please check our Walmsley Parent's Facebook group as events are posted regularly.

If you are able to support us, please contact one of our Committee members, namely:

We are very sad to announce the resignation of Vanessa Mason, our trusted Chair. Vanessa has been the pioneer behind 'Project Playgrounds' and many of our current fundraising ideas. She helped energise our PTA at a difficult time and we take this opportunity to thank her for her dedication and support. We will miss her leadership, but are pleased that her support will continue in an informal capacity.

Have a wonderful half term break. Enjoy your Krispy Kreme donuts if you managed to order some. **Donuts will be back very soon!**

Transforming our old, tired playground into something incredible !

A quote had been obtained to revamp the infant's playground. The PTA needs your help to raise funds, with the help of Mrs Carr and the school we can make this happen!

Our aim is to revitalise the existing playground from this to the above which is currently a first draft proposal of what we could have if we achieve the funding goals.

We need you to make it happen !

Where would you rather your children play? We hope you share our vision and we look forward to your support in fund raising for this incredible project.

- ✓ Encourage all children to engage and become active in the playground.
- ✓ New areas for group play and interactive exploration
- ✓ Brighten up school breaks with new and exciting play areas
- ✓ A safe and secure area to play and explore
