programme	secretary	programme	secretary																																																																													
shoulder	suggest	shoulder	suggest																																																																													
sufficient	twelfth	sufficient	twelfth																																																																													
vehicle		vehicle																																																																														
yacht		yacht																																																																														
Key teaching point:		For these homophones, the nouns are spelt with 'c' and the verbs are spelt with 's' There are no clear rules for these homophones, you just need to learn them individually.	Some words ending with <i>-ant, -ance or -ancy</i> have no clear root. Some words require non-standard changes to the root word before adding <i>-ant, -ance</i> or <i>-ancy</i> .
