## Should we be allowed to travel anywhere we like?

## In the news this week

The Nepalese government has announced that, from September, climbers aiming for the world's highest mountain will have to pay just over £12,000 (\$15,000) during the main climbing season. This is over \$4,000 more than the previous permit fee for climbing Mount Everest. There have been concerns that there are too many people climbing the mountain, leaving rubbish and not respecting nature. It is hoped the extra money will go towards protecting the area from tourists.

### Things to talk about at home ...

- > Why do you think so many people want to climb Mount Everest? Can you imagine what it feels like to reach the summit?
- > Can you recall some of the places you have visited as a tourist? These could be close to where you live, or further away. Talk to someone at home – where have they visited?
- > What do you think are the advantages and disadvantages of tourism?
