Headteacher: Mrs Joanna Atherton

17th January 2025

Dear Parents/Carers

TRAVELLING SCIENCE EXPERIENCE (January 2025) - WHOLE SCHOOL

To support all our children as part of the Science Curriculum, we have arranged a visit by the above company on Thursday 30th & Friday 31st January.

This will be a fantastic experience for the children to enhance their learning, with the following feedback from schools who have already used them: -

'The science show was truly spectacular.'
'The children found the experiments exciting and they linked perfectly with their previous learning.'

We had a visit from them last year and the children had an amazing time.

This is something extra that we have been doing at Walmsley from the last school year, both to provide hands-on experiential learning, and to replace some of the trips we organise; instead of taking the children out of school and paying for a coach, so will reduce the cost impact on parents. We will still be aiming to take all year groups on three external trips per year.

To help cover the cost of this experience, we are asking for a contribution of £2.00 for each child please.

Payment is to be made using the My Child at School App, with payment to be made as soon as possible please – you will find this under the Trips tab – Travelling Science.

Thank you

Mr A Catterall
