Sharing a daily [#MorningPrayer](#) from Bill Braviner: May we show God's love to all as we follow Him more closely each day...

***Keep us, Lord, free from the temptation to let preconception and prejudice obscure our vision and dull our responses to your presence in our lives.***

***As you know us completely, help us to know you better and follow you more closely each day, showing your love to all. Amen***

## A FOND FAREWELL TO REVEREND CAROL HAYDEN

It was a perfect send-off for our wonderful Reverend Carol, as she retires from Ministry. She really is one of a kind and we will all miss her friendly, caring presence amongst us. Rev Carol has touched so many lives and we all wish her well on the next stage of her journey. Thank you to everyone who helped to make it such a special occasion; the Hall looked amazing and hundreds of folk were catered for with a delicious selection of 'bring and share' food. ❤️🙏😊

### A message from Reverend Carol Hayden to all in Walmsley Parish:

I just want to take this opportunity to thank every one of you for the wonderful retirement celebration you put together for me on Sunday 21 August. It was AMAZING!!!

Your presence at the church services and at the party, together with your wonderful gifts, cards, cakes, superb 'bring and share' alongside your kind words made me feel so loved and appreciated well beyond anything I have experienced before. I will surely remember that day with love and joy.

Thank you, one and all, for everything.

May the Lord Bless you and keep you and make His face shine upon you now and always.

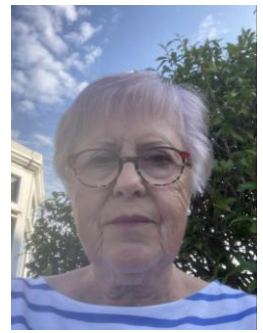

Carol x

from you from the (new) Churchwarden

Sincere thanks to you all for your support as I learn the role of Church Warden to the Parish of Walmsley. Slowly I am learning the job. I now have a large set of keys any Jailor would be proud of!

We have had 2 big Parish events: the Jubilee celebrations and Rev'd Carol's Retirement Party. Their success was entirely due to TEAMWORK. That special effort made the events so special and memorable. It was wonderful so many people came to share with us, whether they were old friends or new. Walmsley is an inviting Parish and it is particularly important that we continue to work together, whether we individually go to St. Andrew's or Christ Church on a Sunday, that makes no difference because we are all on the same TEAM.

As we move forward, I do hope that those relationships will continue to develop and blossom.

I look forward to seeing you all, but please forgive if I don't remember your name; just remind me! If you do feel that you could spare an hour occasionally, or would like to do a little bit more in supporting the Parish, don't be shy, let me know and I would be delighted to talk. The more the work is shared, the load becomes lighter! Hilary Dunn

The next meeting of the Trustees of the Parochial Church Council of Walmsley Parish will be at 7.30pm on Monday 12 September and will be held in the Dimple Chapel at Christ Church Walmsley.

A #MorningPrayer from Bill Braviner: May we live, love and learn in God's harmony...

***We know, Lord, that there will be differences of opinion among your people, as we wrestle with discerning your will. You have not made us, in our wonderful diversity, to sing in unison. Keep us open to one another and to your Spirit, that we may learn your harmony. Amen***

## Newsletter for 4 September 2022 from our Team Rector, Peter Reiss:

### Turton Moorland Team Ministry

Belmont, Bradshaw, Turton & Walmsley

Six Churches, Four Parishes, One Vision

### Order confirmed!

When we go online to buy something it is always reassuring to receive an email to say "order confirmed!" We can feel more confident that our purchase has been successful, though there is still the delivery to negotiate and it might be that the wrong goods are sent or the promised "thing" is just not as good as we had hoped.

Many of those reading this newsletter will have been "confirmed" by a bishop, maybe many years ago. Some were confirmed rather as a job-lot when at school or from church – it was the done thing to do; Some will have bravely come forward for confirmation as individuals, wanting to make more certain their relationship with God, maybe as a teenager, maybe a student, maybe later in life. I was confirmed at 14 with a group from school; it was important to me, I did believe the Gospel, and it felt right and I would then be able to receive Communion and have a fuller part in the service, not left out when others went forward to Communion. Since then my faith has not really changed (as in what I believe), but I have to say there have been times when I have more actively tried to live out my faith, and times when I have not wanted to seek God at all. Thankfully confirmation is *not me confirming my faith* or commitment, but the bishop prays that *God would "confirm his servant, .., with his Holy Spirit.* To bend the image a bit, God puts a Special Delivery stamp on us; it is not us being called to try harder for God.

On November 20<sup>th</sup> the Bishop of Bolton will be confirming those who have asked for confirmation at our Team Service. If you have not been confirmed, maybe this year would be a good year to explore what this rite means, and more importantly what it might mean for you. It may be at any stage in life: For me it was over 45 years ago, but I have prepared a couple in their late 70s for confirmation. For some faith comes at a crisis point and involves a big and even dramatic change and encounter, but for others the faith journey is a bit vague, a bit twisty, maybe there doesn't seem to be a real path, but somehow we know God is calling us on .. For some faith is primarily an experience, a sense of the presence of God, for others it is a recognition that the world was made by God, that in Jesus we see the fullness of God, and that the Resurrection makes all the difference to how we see life. God's promises are true and trustworthy; for some worship in church and ritual provides us with a stability when life seems to be like shifting sand; for others God's Spirit nudges and prompts; for others we sense the truth of God when engaged in social justice, wanting to make a difference because we know this is what the Kingdom of God is about – faith in action!

Confirmation is a step we can take – it is a commitment on our part, a public decision to align ourselves with God and God's people – we kneel before the bishop as we seek God's Spirit; but it is also God's confirmation to us – a reminder that we are made by God, loved by God, redeemed by God (postage paid!), and we have a Special Delivery notice on us, with "order confirmed", but this time we can trust the delivery service – God will bring us to eternal life; God will keep us in eternal life – both are true. We can know God now and feel secure in God now, but the fullness of the promises is found in God's time.

If you have not been confirmed why not ask your minister about it and we will be running some sessions for us to talk about faith and discuss faith and you would be most welcome to join us – even if at the end you may decide that confirmation is not (yet) for you. There will also be groups for youngsters so they can discuss and learn and journey together.

45 + years on and the journey has gone all over the place (literally) and I may have been all over the place too, but God is faithful, God is merciful, God is patient, and I know my ultimate destination is secure, and I know that God will not drop me on the way. *Peter Reiss*

## Prayers in our churches...

Last Sunday, Mark Head gave the Intercessions - the prayers – at Christ Church Walmsley in the 9.30am service.

They were beautifully powerful:

**Let us pray** for the Church and for the world and, particularly at this time of continued and ever worsening concern for shortages, social unrest, spectre of conflict, extended severity and extremes of weather with great hardship for many throughout the globe as a consequence. Help us to be part of the solution to the salvation of our world through living out the life of Christ every day, and by careful working together in mutual respect.

Strengthen our local Bishops and Archdeacons; in our deanery, we pray for the **Turton Moorland Team Ministry**, and particularly for our Team Rector, **Peter Reiss** and for our Team Curate, **Hannah Lane**, our **Local Ministers** and valued **Churchwardens** and **helpers** in all the work they do within our local communities. We pray also for **Carol Hayden** as she seeks to follow You in a new field of ministry following her retirement from our team. Give us all the strength and confidence to trust in God with our whole hearts for the future, and to act with compassion for those beginning to suffer hardship these days. *Lord in Your mercy, HEAR OUR PRAYER*

Bless and guide Elizabeth our Queen; give wisdom to all in authority; direct this and every nation in the ways of justice and of peace; that we may honour one another and seek the common good. *Lord in Your mercy, HEAR OUR PRAYER*

All our attention is still on the outrageous invasion of Ukraine by Russian troops, and our earnest prayers, Father, are for the Ukrainian people and our brothers and sisters in Christ in that country, together with their kin and friends in other countries.

In these times of growing concern over fuel supplies, cost of living and economic stability, we pray, Father, that Your Spirit may guide us into the ways of right living and care for each other. These may seem to us the warnings of the Last Times, and we look to You, our Redeemer, for the path of deliverance. Give grace to us, our families and friends, and to all our neighbours; that we may serve Christ in one another, and love as He loves us.

*Merciful Father, Accept these prayers for the sake of Your Son, our Saviour Jesus Christ. AMEN.*

*(If anyone has a favourite prayer, please let us know so that it can be shared...)*

### **The Prayer Reflection from Angie Foster, Authorised Lay Minister for Prayer and Spirituality, explores Christ suffering with us ...**

One of the most common questions that seems to arise when I am with other people discussing matters of faith is why do people suffer, sometimes through no fault of their own. I have also felt it is a difficult question to answer. However, recently I found an explanation and reasoning that provided a response to this question when asked. I hope it might provide you with an answer too. With thanks to Richard Rohr and his article from his Daily Meditation from the Centre for Action and Contemplation.

*Father Richard reminds us that while we are invited to be in solidarity with the pain of others, God carries all pain:*

“Many people question how there can be a good God or a just God in the presence of so much evil and suffering in the world—about which God appears to do nothing. Exactly *how* is God loving and sustaining what God created? That is our dilemma.

I believe—if I am to believe Jesus—that God *is* suffering love. If we are created in God’s image, and if there is so much suffering in the world, then God must also be suffering. How else can we understand the revelation of the cross and that the central Christian logo is a naked, bleeding, suffering man?

Many of the happiest and most peaceful people I know love a crucified God who walks with crucified people, and thus *reveals and redeems their plight as his own*. For them, Jesus does not observe human suffering from a distance; he is somehow *in* human suffering, with us and for us.

The suffering that we carry is our solidarity with the one, universal longing of all humanity, and thus it can teach us great compassion and patience with both ourselves and others. Some mystics even go so far as to say that there is only one suffering; it is all the same, and it is all the suffering of God (see Colossians 1:24).”

Please do contact me if you have any feedback, or would like any prayers said for you, your family, friends, the people in your place of employment or neighbourhood.

Also, if you would be willing to participate in the “This Time Tomorrow” slot in the Notices on a Sunday, please do let me know.

With love and blessings and THANK YOU, Angie Foster [angie@walmsleyparish.org](mailto:angie@walmsleyparish.org)

## DUNSCAR WAR MEMORIAL

In the midst of our community, despite the noise of traffic and everyday life, is a quiet haven of peace and reflection, so beautifully maintained and cared for. Let’s not take for granted the hard work that goes into keeping this

special place of remembrance and tranquility at its best.

Many of you will have seen a lone worker there - at all times of the day and night - mowing and watering the grass there, trimming the edges and ensuring the War Memorial is pristine. He's called Stacey Jeffries, a full-time fireman and tireless campaigner for veterans.

Next time you're passing, please remember to say 'thank you' ...

Leaving a gift in your Will is an amazing opportunity to make a final gift to God. This will make a lasting difference to the future of Walmsley Parish and its ministry and mission in our local community. No matter how big or small, every gift in every Will can make a significant impact. Gifts in Wills are an important part of Christian giving, and leaving a gift to your church is a way to thank God for all the blessings you have received in your lifetime.

## Our Legacy Policy

At Christ Church Walmsley with St. Andrew's, we welcome all legacy gifts, and we promise to use them to make a difference in our parish. Our PCC Legacy Policy is **to use gifts to help fund significant development projects, whether buildings, equipment or staff.** Since needs change over the years, we encourage you to leave a gift in your will for the general purposes of the parish rather than for a restricted purpose. We will discuss possible uses of your gift with your executors when the time comes, bearing in mind your known areas of interest in the church (e.g. music, buildings, children and youth, overseas mission or aid) and the church's priorities at the time. You can be confident that your gift will be used to make a real difference to **our future mission and ministry.** We acknowledge gifts in whatever way the donor and/or his/her executors feel most appropriate to. Equally, we can make sure that gifts remain anonymous if the donor prefers.

If you would like to talk to someone in confidence about the sorts of purposes your gift might fund, and how/if you would like your gift to be acknowledged, please contact Allan Hopkins, Team Council Lay Chair, on 01204 305807 or email [allanhopkins9@gmail.com](mailto:allanhopkins9@gmail.com)

If you would like to make a gift to church in memoriam, please come and discuss this with us too. It can be a wonderful and appropriate way to remember a loved one.

**GRUB TUB: Please do continue to remember those who rely on food donations.** As a church we have supported Urban Outreach in a number of ways, including donating to the Grub Tubs in each church. **URBAN OUTREACH** rely on the generosity of food donors to provide food parcels to those in need across the borough. Thank you to those who have given recently.

### **Thank you for reading**

Please know that you continue to be in our thoughts and prayers.

Stay safe and keep well. Love and blessings from the 'TEAM' at Walmsley Parish.

**As always, our heart-felt message to you is one of FAITH, HOPE, PEACE, JOY and LOVE. If we can help you in any way, please contact a member of the 'Parish Team'. Stay well – stay safe – Dawn H x**

**CAN WE PLEASE ASK YOU TO THINK ABOUT YOUR GIVING ?!**  
We don't charge an admission fee – we depend entirely on donations to keep our churches heated, repaired and open ... all with the help of volunteers. Even an extra £1 a week would make a difference ...or more if you can.

**Two years ago, it was calculated that it cost about £2,500 PER WEEK to keep Christ Church Walmsley open ...since then, giving**

**has dropped but costs have risen. We desperately need your support.**

**The most helpful way for you to contribute to the running of our churches is by committing to a regular standing order which, with Gift Aid - as we are a registered charity - then provides another 25% on top of your donation at no cost to you.**

**Thank you to those who have set up your offertory giving by standing order. Thank you for your contribution to the running of our churches and for making a difference.**

### **PAYING FOR THE CHURCH YOU LOVE**

Please note that we do not pass around the collection plate or charge admission, but we have a serious shortfall towards our running costs.

**Can you please help us with a donation?**

Committing to regular giving by **STANDING ORDER** is very easy and, if you pay tax, Gift Aid adds an extra 25%:
