Equality Information and Objectives

At Walmsley Church of England Primary School, we seek to value everyone, and our school is committed to equality in practice. We welcome our legal duties to eliminate discrimination, and to promote community cohesion.

The Equality Act 2010 requires us to publish information that demonstrates that we have due regard for the need to:

- Eliminate unlawful discrimination, harassment, victimisation and any other conduct prohibited by the Equality Act 2012;
- Advance equality of opportunity between people who share a protected characteristic (race, disability, gender, re-assignment, age, pregnancy and maternity, marital status, religion and belief and sexual orientation) and people who do not share it;
- Foster good relations between people who share a protected characteristic and people who do not share it.

The Equality Act brings together previous legislation concerned with Race, Gender and Disability and aims to ensure that:

- All adults and children treat each other with respect;
- Great effort is made so that all groups of pupils make good progress, and so that employment practice is also fair;
- Walmsley CE Primary School is a school committed to producing good citizens - locally, nationally and globally.

We have considered how well we currently achieve these aims with regard to the protected groups under the Equality Act and we have also involved staff, pupils, parents and others in the following ways:

- All staff and children in school have the right to be respected, the right to learn and the right to be safe;
- We place a great deal of emphasis on the pastoral care of our children and believe that our children know they can speak to any adult in school for help
- Questionnaires to gain feedback from pupils, parents and carers, governors and staff
- Awareness sessions open to all parents in areas such as 'Meet the Teacher', reading and phonics, numeracy, ICT, SEN and e-safety;

- Class and whole school assemblies embrace a breadth of cultures;
- The school curriculum is designed to enable children to understand and respect diversity;
- Effective school council
- Nurture school accreditation
- Communication Friendly school status
- Effective system of Playground leaders and peer mentoring
- Annually the children support two charities a local charity and one that supports work in the wider world. We also support a child through Christian Aid;
- All racist incidents are recorded and reported to the LA
- Staff concerns are documented and passed onto the HT
