1. Aims

This policy aims to show our commitment to meeting our obligations with regards to school attendance, including those laid out in the Department for Education's (DfE's) statutory guidance on [working together to improve school attendance \(applies from 19 August 2024\)](#), through our whole-school culture and ethos that values good attendance, including:

- Setting high expectations for the attendance and punctuality of all pupils
- Promoting good attendance and the benefits of good attendance
- Reducing absence, including persistent and severe absence
- Ensuring every pupil has access to the full-time education to which they are entitled
- Acting early to address patterns of absence
- Building strong relationships with families to make sure pupils have the support in place to attend school

We will also promote and support punctuality in all aspects of the academy day.

2. Legislation and guidance

This policy is based on the Department for Education's (DfE's) statutory guidance on [working together to improve school attendance \(applies from 19 August 2024\)](#) and [school attendance parental responsibility measures](#). The guidance is based on the following pieces of legislation, which set out the legal powers and duties that govern school attendance:

- Part 6 of the [Education Act 1996](#)
- Part 3 of the [Education Act 2002](#)
- Part 7 of the [Education and Inspections Act 2006](#)
- [The Education \(Pupil Registration\) \(England\) Regulations 2006 \(and 2010, 2011, 2013, and 2016 amendments\)](#)
- [The School Attendance \(Pupil Registration\) \(England\) Regulations 2024](#)
- [The Education \(Penalty Notices\) \(England\) \(Amendment\) Regulations 2013 and the 2024 amendment](#)

It also refers to:

- [School census guidance](#)
- [Keeping Children Safe in Education](#)
- [Mental health issues affecting a pupil's attendance: guidance for schools](#)

3. Roles and responsibilities

The responsibilities included in this document are reflective of those outlined in the [summary table of responsibilities for school attendance](#) from the Department for Education (DFE)

3.1 The governing board

The governing board is responsible for:

- Setting high expectations of all school leaders, staff, pupils and parents/carers
- Making sure school leaders fulfil expectations and statutory duties, including:
- Making sure the school records attendance accurately in the register, and shares the required information with the DfE and local authority
- Making sure the school works effectively with local partners to help remove barriers to attendance, and keeps them informed regarding specific pupils, where appropriate
- Recognising and promoting the importance of school attendance across the academy's policies and ethos

- Making sure the academy's attendance management processes are delivered effectively, and that consistent support is provided for pupils who need it most by prioritising staff and resources
- Making sure the academy has high aspirations for all pupils, but adapts processes and support to pupils' individual needs
- Regularly reviewing and challenging attendance data and helping academy leaders focus improvement efforts on individual pupils or cohorts who need it most
- Working with academy leaders to set goals or areas of focus for attendance and providing support and challenge
- Monitoring attendance figures for the whole academy and repeatedly evaluating the effectiveness of the academy's processes and improvement efforts to make sure they are meeting pupils' needs
- Where the academy is struggling with attendance, working with academy leaders to develop a comprehensive action plan to improve attendance
- Making sure all staff receive adequate training on attendance as part of the regular continued professional development offer, so that staff understand:
 - The importance of good attendance
 - That absence is almost always a symptom of wider issues
 - The school's legal requirements for keeping registers
- The academy's strategies and procedures for tracking, following up on and improving attendance, including working with partners and keeping them informed regarding specific pupils, where appropriate
- Making sure dedicated training is provided to staff with a specific attendance function in their role, including in interpreting and analysing attendance data
- Sharing effective practice on attendance management and improvement across schools within the Trust
- Holding the Principal to account for the implementation of this policy

3.2 The Principal

The Principal is responsible for:

- The implementation of this policy at the academy
- Monitoring academy-level absence data and reporting it to governors
- Supporting staff with monitoring the attendance of individual pupils
- Monitoring the impact of any implemented attendance strategies
- Issuing fixed-penalty notices, where necessary, and/or authorising the Senior Attendance Champion to be able to do so
- Working with the parents/carers of pupils with special educational needs and/or disabilities (SEND) to develop specific support approaches for attendance for pupils with SEND, including where school transport is regularly being missed, and where pupils with SEND face in-school barriers
- Communicating with the local authority when a pupil with an education, health and care (EHC) plan has falling attendance, or where there are barriers to attendance that relate to the pupil's needs
- Communicating the school's high expectations for attendance and punctuality regularly to pupils and parents/carers through all available channels
- Sharing information from the school register with the local authority, including:
 - Notifying the local authority when a pupil's name is added to or deleted from the school admission register outside of standard transition times
 - Providing the local authority with the details of pupils who fail to attend school regularly, or who have been marked with an unauthorised absence for a continuous period of 10 school days
 - Providing the local authority with the details of pupils who the school believes will miss 15 days consecutively or cumulatively because of sickness

3.3 The designated senior leaders responsible for attendance

The designated senior leader (also known as the 'senior attendance champion') is responsible for:

- Leading, championing and improving attendance across the academy
- Setting a clear vision for improving and maintaining good attendance
- Evaluating and monitoring expectations and processes
- Having a strong grasp of absence data and oversight of absence data analysis
- Regularly monitoring and evaluating progress in attendance
- Establishing and maintaining effective systems for tackling absence, and making sure they are followed by all staff
- Liaising with pupils, parents/carers and external agencies, where needed
- Building close and productive relationships with parents/carers to discuss and tackle attendance issues
- Creating intervention or reintegration plans in partnership with pupils and their parents/carers
- Delivering targeted intervention and support to pupils and families

The designated senior leader responsible for attendance is Mrs Lindsay Holness and can be contacted via 01472 502256.

3.4 The attendance officer

The school attendance officer is responsible for:

- Monitoring and analysing attendance data (see section 7)
- Benchmarking attendance data to identify areas of focus for improvement
- Providing regular attendance reports to school staff and reporting concerns about attendance to the designated senior leader responsible for attendance, and the headteacher
- Working with education welfare officers to tackle persistent absence
- Advising the headteacher when to issue fixed-penalty notices

The attendance officer is Mrs L Holness who can be contacted via the Academy office on 01472 502256.

3.5 Class teachers

Class teachers are responsible for recording attendance for both morning and afternoon sessions on a daily basis and submitting this information to the school office.

3.6 Academy administration staff

Academy administration staff will:

- Take calls from parents about absence on a day-to-day basis and record it on the academy's system
- Transfer calls from parents to the class teachers or pastoral team at an appropriate time, in order to provide them with more detailed support on attendance

3.7 Parents/carers

Where this policy refers to a parent, it refers to the adult the school and/or local authority decides is most appropriate to work with, including:

- All natural parents, whether they are married or not
- All those who have parental responsibility for a child or young person

- Those who have day-to-day responsibility for the child (i.e. lives with and looks after them)

Parents are expected to:

- Make sure their child attends every on time
- Call the school to report their child's absence before [time, e.g. 9am] on the day of the absence and each subsequent day of absence, and advise when they are expected to return
- Provide the school with more than 1 emergency contact number for their child
- Ensure that, where possible, appointments for their child are made outside of the school day
- Seek support, where necessary, for maintaining good attendance, by contacting the pastoral team, who can be contacted via Mrs Holness on 01472 502256.

3.8 Pupils

Pupils are expected to:

- Attend school every day on time

4. Recording attendance

4.1 Attendance register

We will keep an attendance register, and place all pupils onto this register.

We will take our attendance register at the start of the first session of each school day and once during the second session. It will mark, using the appropriate national attendance and absence codes from the School Attendance (Pupil Registration) (England) Regulations 2024, whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

See appendix 1 for the DfE attendance codes.

We will also record:

- For pupils of compulsory school age whether the absence is authorised or not
- The nature of the activity if a pupil is attending an approved educational activity
- The nature of circumstances where a pupil is unable to attend due to exceptional circumstances

We will keep every entry on the attendance register for 3 years after the date on which the entry was made.

Pupils must arrive in school by 8:50am on each school day.

The register for the first session will be taken at 8:50am and will be kept open until 9:00am.

The register for the second session will be taken at 1:00pm.

4.2 Unplanned absence

The pupil's parent/carer must notify the academy of the reason for the absence on the first day of an unplanned absence by 9:00am or as soon as practically possible by calling the academy admin staff (see also section 7).

We will mark absence due to illness as authorised unless the academy has a genuine concern about the authenticity of the illness.

If the authenticity of the illness is in doubt, the academy may ask the pupil's parent/carer to provide medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily. If the academy is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents/carers will be notified of this in advance.

4.3 Planned absence

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent/carer notifies the school in advance of the appointment. Parent/Carer must complete a Leave of Absence form giving at least two full weeks' notice.

- The academy will check legislation and guidance, including what constitutes 'special circumstances' and what constitutes 'exceptional circumstances', and reasons for authorising/not authorising each Leave of Absence.
- The academy may telephone the parent/carer if insufficient information is submitted. The Principal may grant or deny the request.
- The academy will return the form to the parent, files copies of all paperwork as evidence, copy retained for Education Welfare Service.
- The academy will monitor attendance/absence over the appropriate period.
- The academy will inform the Education Welfare Service of related unauthorised absence.
- Academy and Education Welfare Service liaise to determine course of action which may include Referral, action towards Penalty Notice or Notice to Improve.

Please note: All requests for Leave of Absence must be submitted prior to a student's absence, as permission cannot be given retrospectively.

However, we encourage parents/carers to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

The pupil's parent/carer must also apply for other types of term-time absence as far in advance as possible of the requested absence.

4.4 Lateness and punctuality

A pupil who arrives late:

- Before the register has closed will be marked as late, using the appropriate code
- After the register has closed will be marked as absent, using the appropriate code

If there are ongoing issues with punctuality, a letter will be sent to parents informing them of the number of late marks received within a specific time period. If issues with punctuality persist, the parents/carers will be invited into the academy to discuss the reasons for lateness and the academy will offer support to help improve punctuality.

4.5 Following up unexplained absence

Where any pupil we expect to attend school does not attend, or stops attending, without reason, the academy will:

- Call the pupil's parent on the morning of the first day of unexplained absence to ascertain the reason. If the school cannot reach any of the pupil's emergency contacts, the school may contact the police and/or Children's Services
- Identify whether the absence is approved or not
- Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session(s) for which the pupil was absent
- Call the parent on each day that the absence continues without explanation, to make sure proper safeguarding action is taken where necessary. If absence continues, the school will consider involving an education welfare officer. Following the third day of absence, a visit will be made by the Education Welfare Officer
- Where relevant, report the unexplained absence to the pupil's youth offending team officer
- Where appropriate, offer support to the pupil and/or their parents to improve attendance
- Identify whether the pupil needs support from wider partners, as quickly as possible, and make the necessary referrals
- Where support is not appropriate, not successful, or not engaged with: issue a notice to improve, penalty notice or other legal intervention (see section 5.2 below), as appropriate

4.6 Reporting to parents/carers

The academy will regularly inform parents about their child's attendance and absence levels using the schools MIS system. Parents can access up to date information regarding their child's attendance.

5. Authorised and unauthorised absence

5.1 Approval for term-time absence

The Principal will allow pupils to be absent from the academy site for certain educational activities, or to attend other schools or settings.

The Principal will only grant a leave of absence to a pupil during term time if the request meets the specific circumstances set out in the 2024 school attendance regulations. These circumstances are:

- Taking part in a regulated performance, or regulated employment abroad
- Attending an interview
- Study leave
- A temporary, time-limited part-time timetable
- Exceptional circumstances

A leave of absence is granted at the headteacher's discretion, including the length of time the pupil is authorised to be absent for.

Exceptional circumstances

All schools can grant a leave of absence for other exceptional circumstances at their discretion. It must be requested in advance by a parent who the pupil normally lives with. Each application will be considered individually taking into account the specific facts and circumstances and relevant background context behind the request. If a leave of absence is

granted, it is for the academy to determine the length of the time the pupil can be away from school.

Generally, the DfE does not *consider a need or desire for a holiday or other absence for the purpose of leisure and recreation* to be an exceptional circumstance. Leave of absence should not be granted for a pupil to take part in protest activity during school hours.

As a leave of absence will only be granted in exceptional circumstances, it is unlikely a leave of absence will be granted for the purposes of a family holiday.

The academy will consider each application for term-time absence individually, taking into account the specific facts, circumstances and relevant background context behind the request.

Any request should be submitted as soon as it is anticipated and, where possible, at least two weeks before the absence, and in accordance with any leave of absence request form. The Principal may require evidence to support any request for leave of absence.

Other valid reasons for **authorised absence** include (but are not limited to):

- Illness (including mental-health illness) and medical/dental appointments (see sections 4.2 and 4.3 for more detail)
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parent(s) belong(s). If necessary, the school will seek advice from the parent's religious body to confirm whether the day is set apart
- Parent(s) travelling for occupational purposes – this covers Roma, English and Welsh gypsies, Irish and Scottish travellers, showmen (fairground people) and circus people, bargees (occupational boat dwellers) and new travellers. Absence may be authorised only when a traveller family is known to be travelling for occupational purposes and has agreed this with the school, but it is not known whether the pupil is attending educational provision
- If the pupil is currently suspended or excluded from school (and no alternative provision has been made)

Other reasons the academy may allow a pupil to be absent from site, which are not classified as absences, include (but are not limited to):

- Attending an offsite approved educational activity, sporting activity or visit or trip arranged by the school
- Attending another school at which the pupil is also registered (dual registration)
- Attending provision arranged by the local authority
- Attending work experience

If there is any other unavoidable cause for the pupil not to attend school, such as disruption to travel caused by an emergency, a lack of access arrangements, or because the school premises are closed

5.2 Sanctions

Our academy will make use of the full range of potential sanctions – including, but not limited to, those listed below – to tackle poor attendance. Decisions will be made on an individual, case-by-case basis.

Penalty notices

The Principal (or someone authorised by them), local authority or the police can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age, by issuing a penalty notice.

If the academy issues a penalty notice, it will check with the local authority before doing so, and send it a copy of any penalty notice issued.

Before issuing a penalty notice, the academy will consider the individual case, including:

- Whether the national threshold for considering a penalty notice has been met (10 sessions of unauthorised absence in a rolling period of 10 school weeks)
- Whether a penalty notice is the best available tool to improve attendance for that pupil
- Whether further support, a notice to improve or another legal intervention would be a more appropriate solution
- Whether any obligations that the school has under the Equality Act 2010 make issuing a penalty notice inappropriate

Each parent who is liable for the pupil's offence(s) can be issued with a penalty notice, but this will usually only be the parent/parents who allowed the absence.

The payment must be made directly to the local authority, regardless of who issues the notice. If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

If issued with a **first** penalty notice, the parent must pay £80 within 21 days, or £160 within 28 days.

If a **second** penalty notice is issued to the same parent in respect of the same pupil, the parent must pay £160 if paid within 28 days.

A **third** penalty notice cannot be issued to the same parent in respect of the same child within 3 years of the date of the issue of the first penalty notice. In a case where the national threshold is met for a third time within those 3 years, alternative action will be taken instead.

A penalty notice may also be issued where parents allow their child to be present in a public place during school hours without reasonable justification, during the first 5 days of a suspension or exclusion (where the academy has notified the parents that the pupil must not be present in a public place on that day). These penalty notices are not included in the National Framework, not subject to the same considerations about support being provided, and do not count towards the limit as part of the escalation process.

In these cases, the parent must pay £80 within 21 days, or £160.

Notices to improve

If the national threshold has been met and support is appropriate, but parents do not engage with offers of support, the academy may offer a notice to improve to give parents a final chance to engage with support.

Notices to improve will be issued in line with processes set out in the Code of Conduct for North East Lincolnshire.

They will include:

- Details of the pupil's attendance record and of the offences
- The benefits of regular attendance and the duty of parents under section 7 of the Education Act 1996
- Details of the support provided so far
- Opportunities for further support, or to access previously provided support that was not engaged with

- A clear warning that a penalty notice may be issued if attendance doesn't improve within the improvement period, along with details of what sufficient improvement looks like, which will be decided on a case-by-case basis
- A clear timeframe of between 3 and 6 weeks for the improvement period
- The grounds on which a penalty notice may be issued before the end of the improvement period

6. Strategies for promoting attendance

- Clearly allocating attendance responsibilities among staff
- Tracking attendance data rigorously over time, and analysing it by pupil group
- Targeting pupil premium funding
- Having robust procedures in place for day-to-day management of attendance, including speaking to parents on the first day of absence and following up on the third day of absence
- Reward schemes such as attendance certificates
- Celebration assemblies
- Weekly attendance figures displayed in the hall and trophies given out

7. Supporting pupils who are absent or returning to school

7.1 Pupils absent due to complex barriers to attendance

- Principal, Senior Attendance Champion or Education Officer, parents, class teacher and SENCO will meet to identify the barriers to good school attendance. If appropriate, the child's views will also be gathered.
- School-based interventions may be offered: ELSA, Pastoral Support, soft starts, a time-limited part-time timetable so the child can build success or Emotionally-based School Avoidance resources.
- External Interventions may be offered: referrals to Compass Go, Educational Psychologist, CAMHS, Early Help/Family Support Services

7.2 Pupils absent due to mental or physical ill health or SEND

- Principal, Senior Attendance Champion or Education Officer, parents, class teacher and SENCO will meet to identify the barriers to good school attendance. If appropriate, the child's views will also be gathered.
- If appropriate, the attendance policy will be implemented alongside the Children with Health Needs who cannot attend School and Children with Medical Conditions policies.
- Identify a key member of the pastoral team to work with the child and the family using EBSA resources to explore the positive and negative influences on absenteeism and build resilience.
- School-based interventions may be offered: ELSA, Pastoral Support, soft starts, a time-limited part-time timetable so the child can build success or Emotionally-based School Avoidance resources.
- External Interventions may be offered: referrals to Compass Go, Educational Psychologist, CAMHS, Early Help/Family Support Services

Where a pupil has an education health and care (EHC) plan and their attendance falls, or the school becomes aware of barriers to attendance that related to the pupil's needs, the school will inform the local authority.

7.3 Pupils returning to school after a lengthy or unavoidable period of absence

As soon as parents have informed the academy of the expected date of return:

- Class teacher will organise a welcome pack back for the child to receive before they return. It may include: messages from the class, timetable for their first day back, a reading book
- Principal and/or SENDCO (as appropriate) will meet with the parents (and child if appropriate) in advance of the first day to discuss expectations, reasonable adjustments and individual health care/ other support plans that may be in place
- Soft start: parents/child will be given the option to arrive through the school office, where the child will be welcomed by an adult known to them.

8. Attendance monitoring

The school will monitor attendance and absence data (including punctuality) half-termly, termly and yearly across the academy and at an individual pupil, year group and cohort level.

Specific pupil information will be shared with the DfE on request.

The school has granted the DfE access to its management information system so the data can be accessed regularly and securely.

8.1 Monitoring attendance

The academy will:

- Monitor attendance and absence data half-termly, termly and yearly across the school and at an individual pupil level
- Identify whether or not there are particular groups of children whose absences may be a cause for concern

Pupil-level absence data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics. The academy will compare attendance data to the national average, and share this with the governing board.

8.2 Analysing attendance

The academy will:

- Develop targeted actions to address patterns of absence (of all severities) of individual pupils, groups or cohorts that it has identified via data analysis
- Provide targeted support to the pupils it has identified whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severed absence, and their families (see section 8.4 below)
- Provide regular attendance reports to class teachers, to facilitate discussions with pupils and families, and to the governing board and school leaders (including the special educational needs co-ordinator, designated safeguarding lead and pupil premium lead)
- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies
- Share information and work collaboratively with other schools in the area, local authorities and other partners where a pupil's absence is at risk of becoming persistent or severe, including keeping them informed regarding specific pupils, where appropriate

8.4 Reducing persistent and severe absence

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school. Reducing persistent and severe absence is central to the academy's strategy for improving attendance.

The academy will:

- Use attendance data to find patterns and trends of persistent and severe absence
- Consider potential safeguarding issues and, where suspected or present, address them in line with Keeping Children Safe in Education
- Hold regular meetings with the parents of pupils who the school (and/or local authority) considers to be vulnerable or at risk of persistent or severe absence, or who are persistently or severely absent, to:
 - Discuss attendance and engagement at school
 - Listen, and understand barriers to attendance
 - Explain the help that is available
 - Explain the potential consequences of, and sanctions for, persistent and severe absence
 - Review any existing actions or interventions
- Provide access to wider support services to remove the barriers to attendance, in conjunction with the local authority, where relevant
- Consider alternative support that could be put in place to remove any barriers to attendance and re-engage these pupils. In doing so, the school will sensitively consider some of the reasons for absence
- Implement sanctions, where necessary (see section 5.2, above)

9. Monitoring arrangements

This policy will be reviewed as guidance from the local authority or DfE is updated, and as a minimum annually by the academy Principal. At every review, the policy will be approved by the full governing board.

9. Links with other policies

This policy links to the following policies:

- Child protection and safeguarding policy
- Behaviour policy
