

WRAPAROUND CARE NEWSLETTER

Ms Kern (Venue Lead) | jkern@premier-education.com | Summer Term 1

FIRST HALF TERM OF WRAPAROUND CARE!

It's our first term running Wraparound Care at Waltham Holy Cross, and it's been brilliant to see so many children attending and enjoying themselves in varied activities. Thank you for welcoming us to your school!

A whole new structure has been introduced to the children and it's been really great to see so many children taking part in different types of activities and learning new skills. The children at Waltham Holy Cross have really taken a shine to our new and improved Breakfast Club which seems to have been a real hit (especially the food!)

We are excited to introduce even more varied activities in the coming terms, including speciality food days, themed experiences and engaging games that help develop concentration, awareness, coordination, confidence and teamwork.

WHAT WE HAVE BEEN UP TO!

Our after-school care sessions have been full of fun, creativity, and variety. The children have enjoyed taking part in a wide range of games and activities that help build teamwork, coordination, concentration, and imagination.

We have also been encouraging healthy eating through a variety of snacks. The children have enjoyed cucumber, carrot and pepper sticks, crumpets, bagels, made-to-order sandwiches with ham or cheese, and Friday pancakes. It has been lovely to see them trying new foods such as hummus and breadsticks and exploring different flavours.

Each day, the children spend time outdoors enjoying fresh air and exercise. Activities have included ball games, chalking, and imaginative play, helping them stay active and engaged.

Once back inside, the children enjoy a snack and then take part in a range of structured and creative activities. These include games such as musical chairs, musical statues, as well as Lego building, gymnastics, and other activities designed to encourage thinking skills, creativity, and social interaction.

**** The children showing off their Lego creations, playing parachutes outside, independently making snacks and Ethan enjoying his bagel!**

IMPORTANT REMINDERS

- Contact Details:
 - **Wraparound Care Contact Number:**
