

## End of Year Expectations for Year 3

This booklet provides information for parents and carers about the end of year expectations for children in our school. Meeting these objectives will help your child to make good progress as they move through the school. All the objectives will be worked on throughout the year and will be the focus of direct teaching. Any extra support you can provide in helping your children to achieve these is valued greatly.

If you have any questions about the content of this booklet or want support in knowing how best to help your child, please talk to your child's teacher.

### Writing

- Can write at length across a range of text types (narrative, non-fiction and poetry)
- Use ambitious verbs (e.g.: 'tip-toed' instead of 'walked') and adverbials (e.g.: 'quick as a flash')
- Read aloud their own writing with appropriate intonation and expression
- Use conjunctions (when, so, before, after, while, because).
- Use adverbs (e.g. then, next, soon).
- Use prepositions (e.g. before, after, during, in, because of).
- Use adverbial phrases to sequence time, identify place or describe manner (e.g.: once, quietly, outside)
- Use inverted commas to punctuate direct speech (e.g.: "Get out!" he screamed.)
- Group ideas into sections and/or paragraphs.
- Write with increasing legibility, consistency and fluency, including joining letters using diagonal and horizontal strokes.

### Reading

- Use phonic k
- knowledge to read age-appropriate texts
- Read words with 2+ syllables, using knowledge of suffixes (e.g.: -ful, -ly) & root words
- Use known words to work out the meaning of new words
- Make inferences such as inferring characters' feelings, thoughts and motives from their actions.
- Make predictions about what is likely to happen next
- Recognise when an author has chosen a particular word/phrase for effect (e.g.: precise choice of adjectives and verbs)
- Recognise, understand and explain the structure of non-fiction texts
- Use content and index to locate information.

### Mathematics

- Compare & order numbers up to 1000
- Read/write all numbers to 1000 in digits and words.
- Find 10 or 100 more/less than any given number.
- Count on/back in multiples of 4, 8, 50 and 100.
- Recall & use multiplication division facts for 3, 4, 8 tables.
- Add and subtract: 3-digit numbers and ones (e.g.: 125 + 6) 3-digit numbers and tens (e.g.: 125 + 60) 3-digit numbers and hundreds (e.g.: 125 + 600)
- Add and subtract: Numbers with up to 3-digits using the formal written (column) method.
- Multiply: 2-digit by 1-digit (e.g.: 18 x 3)
- Compare and order fractions with same the denominator (e.g.: 3/10 is smaller than 6/10).
- Add and subtract amounts of money, including finding change
- Tell time to the nearest minute
