Dear Parent/Carer

As part of the careers programme we aim to keep you informed of all college open days/evenings.

Students who are in Year 11 will start to complete their application forms on the December enrichment day and therefore need to be aware of all the options and courses available in order to make an informed decision.

It is beneficial for those students in year 10 to attend these events so that they too can explore the courses and gain an early insight into the options available once they leave school.
