Dear Parent/Carer

## **Parents Evening and the KS4 Options Process**

We are entering a crucial time for our Year 9 students in order to support them with their choices a number of events will be hosted by school that will provide opportunities to enquire about the subject choices available for KS4 and their future learning. Due to our current climate and conditions we have adapted these events so that they are virtual.

### **Friday, 5<sup>th</sup> February**

Option information booklets and a link to a Microsoft form will be emailed to Parents/Carers and students. Students will submit their option choices using the link to the Microsoft Form.

### **Week beginning Monday, 8<sup>th</sup> February**

Further subject information will be provided and uploaded to our website. A link to the relevant presentations will be included in the daily updates.

Virtual college events will take place during this week (see timetable below). Links to these events will be emailed to both Parents/Carers and students. Subjects will not set work for period 1 during this week.

Please ensure that you have submitted your option choices via the Microsoft forms link that was emailed along with the booklet.

Should you have any questions about any of these matters, please do not hesitate to contact me.
