Year 9 trip

On Thursday, some of our year 9 students visited BGreen in Blackburn and Lancaster University School of Mathematics in Preston. They had the opportunity to set up their own renewable energy company, using AI to design a website and created a business plan in Excel.

“ Throughout the day, the college staff (including the head of school) remarked time and time again about how amazing our students were, particularly their behaviour. They conducted themselves in a way that made me incredibly proud to be representing WLD. Well done to all students involved! – Mr Moorcroft

School lunch menu

Starting after half-term, students can choose from the following meal deal options:

- Choice of Ham, Cheese, Egg, or Tuna sandwich, plus a biscuit and a drink.
