Celebrating Isla's Charity Work

We are delighted to share that one of our new students, Isla M (C7B), has been actively involved in charity work for the past four years, raising an impressive £4,000 to support a range of causes. Isla has volunteered with the UK-based charity Benefit Mankind, contributing to projects that include helping the homeless, supporting children in hospital, and fundraising for the Teenage Cancer Trust.

This November, Isla has been selected—alongside her mum—to join the charity's deployment team in Morocco, providing emergency relief to those affected by the recent earthquake. Out of hundreds of volunteers, Isla was chosen for her commitment, dedication, and compassion.

We are incredibly proud of Isla's achievements and look forward to supporting her as she continues her inspiring journey in helping others.

thrive @ WLD

Sophie H (Y9) and Kia B (C9) have been delving into feelings and emotions during their **Thrive** sessions. Recognising the close connection between colour and emotion, they created some stunning therapeutic artwork. Sophie represented her feeling of tiredness with blue waves and soft clouds, while Kia expressed her anxiety through the colour yellow and zigzag patterns. Both Sophie and Kia found joy in the activity and took pride in their creations. Great job, girls! Sharing our thoughts can be challenging, but you did wonderfully.
