College trip

All Year 10 pupils will be attending a visit to Preston College.

Pupils should arrive at school in full school uniform starting at registration in the Dining Room. If your child has PE on the day, they may wear their PE kit with their blazer over the top.

A full lunch will be provided. However, pupils may also bring money for refreshments or bring their own packed lunch if preferred.

Pupils should report to the Dining Room at registration, where they will meet in their form groups to receive their college timetables for the day.

We expect students to represent Walton-le-Dale High School with the same excellent behaviour shown on previous visits – last year, Preston College described our students as “amazing.”

Year 10 exams

“ We are very proud of our Year 10 students who started their Summer 2025 exams this week. Their conduct has been excellent. They have shown themselves to be mature and have risen to this challenge brilliantly. Well done Year 10. Keep it up! ” – Mrs Brown

Year 8 maths

Attention Year 8 students:

Your upcoming Maths assessment is scheduled to take place during your lessons next week. To help you prepare and revise effectively, please make sure to log in to Sparx and complete the assigned revision tasks. Good luck!

Work experience

w/c 30th June:

- We encourage all year 10s to begin contacting their work experience employers to introduce themselves. This is a great opportunity to ask if there are any specific requirements for the placement such as clothing, footwear, meals, or start times.
- Students who have had their placements arranged by Mr Turner should check their school email accounts for full details.
- Those taking part in Virtual Work Experience should also check their school emails for instructions and log in to SpringPod to familiarise themselves with the platform before their placement begins on 30th June.

This experience is incredibly valuable and forms part of each pupil's personal development. A positive, professional attitude is essential – students may use the references gained when applying for college courses or apprenticeships later this year.

Student voice

Calling All Young People in Bamber Bridge!

Do you have ideas about what would make your community an even better place for young people?

Would you like to share your thoughts while enjoying some free food?

South Ribble Borough Council and Inspire Youth Zone are inviting you to come along to some special sessions designed just for you. These sessions are all about listening to your voice – what kind of activities, spaces, and support would really make a difference in your life?

We want young people to lead the way in shaping the future of youth services in the area.

When is it happening?

We'll be out and about at Withy Grove Car Park (near the Sports Hub / Leisure Centre) on:

- Thursday 27 June 5:00 PM – 8:00 PM
- Friday 28 June 3:00 PM – 6:00 PM

If it's a little quiet, we might head to nearby spots to find more friendly faces!

What's in it for you?

We'll have Inspire's colourful Scrان Van with us – and yes, that means free, tasty food for all young people who pop by!

So come along, have a chat, grab a bite, and help shape something amazing for the future of Bamber Bridge.
