Social media

Walton-le-Dale High School is on Facebook and Instagram. Follow our socials to see what's going on around school each week.

GCSE Maths revision

There is GCSE Maths revision on every day after school. Please speak to your Match teacher to find out which one you need to be at.

Sparx Maths

Well done to the incredible amount of students completing their Sparx Maths homework. Hopefully you can see the difference it is making in your lessons. It is a pleasure giving out so many Hot Chocolate rewards each week. Keep up the good work!

If you are unsure how to log in, please speak to your Maths teacher.

Communication

Please ensure you know who your HAL is (siblings in the same family have the same HAL), this is your **first point of contact** within the school.

Email is the best way to communicate with us for non-urgent messages.

ParentPay

When using ParentPay, there have been several issues with one click payment - where the money bounces back to the bank account after a few days, leaving students accounts in a negative balance. We recommend not using this option when using ParentPay.

The JJ Effect

Last week, Byron from 'The JJ Effect' gave our year 9 and 10 students a powerful talk about the impact of knife crime, including on his own family. More pictures can be found on our social media channels.
