Headteacher's Message

This is a critical time for many of our year groups. Our Year 10 students have been working hard through their mock exams, while our Year 11 students are now on the final home stretch toward their GCSE exams. To ensure our Year 11s feel fully prepared and confident, we are offering a comprehensive schedule of after-school revision sessions. These sessions are vital for closing gaps in understanding and exam practice.

For Year 9, we look forward to seeing parents and carers at the Progress Evening on **Thursday 5th February**. This is an essential event for discussing progress and making important Key Stage 4 option choices.

Warm regards,

Mr P Lamoury

Year 11 Revision Sessions

After-school revision sessions are a vital support for Year 11 students as they prepare for GCSEs. Regular, focused revision helps students consolidate learning, close gaps in understanding, and build confidence under exam conditions.

Small-group sessions provide targeted teacher feedback, help students practise exam-style questions, and teach effective revision techniques – planning, active recall, and timed practice – that boost retention and reduce last-minute stress.

The following after school sessions are available each week for year 11 students:

Subject	Day	Teacher	Room
Business Studies	Thu	DTU MRI	A9
Computer Science	Mon	JMO DTU	A8
French	Tue	RHO	D5

Year 9 Progress Evening

We warmly invite parents and carers to attend the Year 9 Progress Evening on Thursday 5 February from 16:00–18:30. This important event gives students the chance to review progress with subject teachers, discuss targets for the rest of the year and – crucially – talk through option choices for Key Stage 4.

Appointments must be booked using the new Synergy booking system; instructions are attached. Please contact your child's HAL if you need help with bookings.

SCHOOL SYNERGY

Parents' Evening Booking System

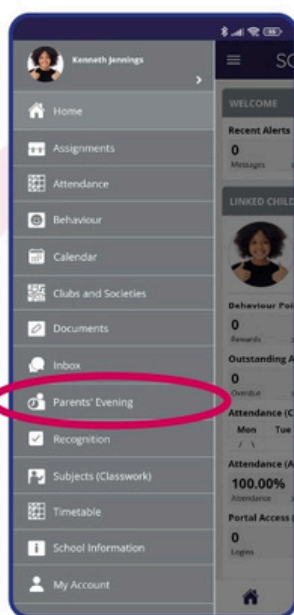

Book your appointments through the Parent Portal. Simply click or tap the the main menu and select Parents' Evening to view available events.

Who Makes Appointments?

Depending on your school, all parents and carers may be able to book appointments. If parents are to attend together, **only one** parent needs to make appointments through their Parent Portal account.

Booking Appointments

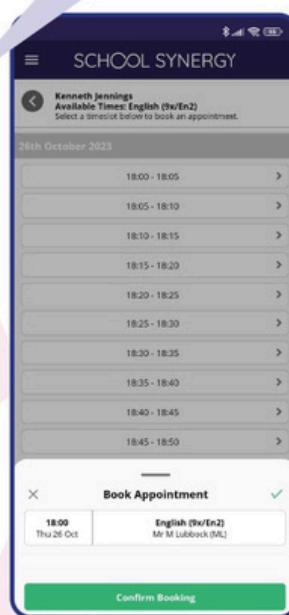

If you have more than one child at school, tap here to switch between.

1 Once logged into your App or account via the web, open the side menu and select Parents' Evening.

2 Available events for the selected student will be shown. Select a teacher or class to see availability.

3 Available times will be displayed. Choose a suitable time, then tap to confirm the booking.

4 Repeat the process to add more appointments.

Multiple Children

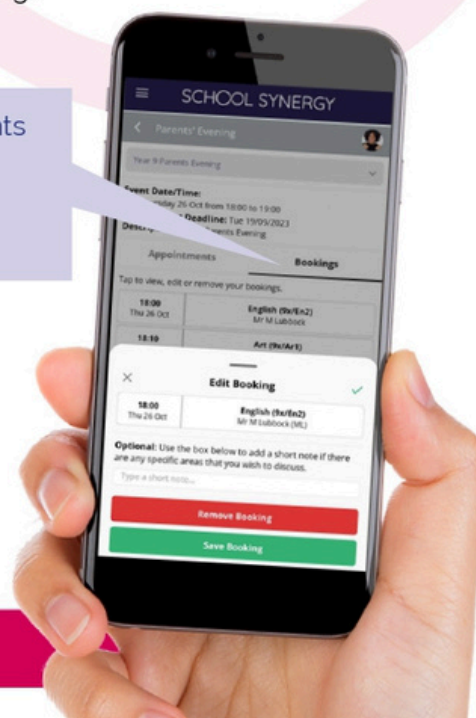

Parents with more than one child in the same year can create bookings for each child and their teacher. If parents wish to split the duty so that each parent books a different teacher for the same time, they will need to do so by using their separate portal account.

Changing or Cancelling Appointments

Existing appointments can be edited, cancelled and re-booked from the Bookings tab.
