## Celebration assembly

On the last day of term, the whole school came together to celebrate the fantastic achievements of our students. It was a joyful occasion filled with smiles, applause, and a real sense of community spirit.

Staff and students gathered to recognise the hard work, progress, and positive attitudes shown throughout the term. A range of rewards were handed out, including vouchers and Easter eggs, to celebrate those who went above and beyond in their learning, behaviour, and contributions to school life.

It was a wonderful way to end the term, with everyone leaving for the holidays feeling proud, appreciated, and excited for the future.
