## Rewards trip day

Students with good attendance and attitude to learning over the course of this academic year have received an invite to attend a rewards trip on Thursday 17<sup>th</sup> July 2025.

Parents and carers of eligible students will be able to make payment for these trips via ParentPay by 3 p.m. on Thursday 12<sup>th</sup> June. Places will be allocated on a first come, first served basis and staff will have the final say.

Please note that students who do not receive an invite or choose not to attend a trip will remain in school on this day.

## Year 8 maths

**Year 8 maths assessments will take place w/c 16<sup>th</sup> June.**

This assessment will test you on all the topics you have been covering since Easter. Revision tasks are always on *Sparx Maths*.

## School Synergy

All students in school now have access to *School Synergy*.

SCHOOL SYNERGY ➤

Students should click the Google button and sign in with their school email address/password. If students are unable to do this, they should see their Computing teacher.

From next week, students will see all homework as assignments on Synergy.

## School newspaper

The latest edition of the 'WLD Echo' is now available.

Read it here ➤

## Year 10 work experience

As we approach the upcoming work experience week, please can we ask that all Year 10 pupils contact their work experience employers during the fortnight before their placement begins. This is to confirm important arrangements such as:

- What they need to bring for lunch
- Any specific clothing or equipment required
- The times they are expected to arrive and finish each day

If Mr Turner is organising your child's work experience placement for your child, the details of whether you have an in person or virtual placement and the associated details will be confirmed over the coming fortnight, along with the associated details.

Thank you for your continued support in helping make this a valuable and successful experience for our pupils.

## Parking

We kindly ask all parents and visitors to please avoid parking across the entrance to the Industrial Estate on Brindle Road when dropping off or collecting children.

Blocking this entrance causes significant disruption for local businesses and can create a safety concern for other road users and pedestrians. Your cooperation in keeping this area clear is greatly appreciated and helps maintain positive relationships with our neighbours.

Thank you for your understanding and support.
