Avoidance Letter

Parking

We kindly ask all parents and visitors to please avoid parking across the entrance to the Industrial Estate on Brindle Road when dropping off or collecting children.

Blocking this entrance causes significant disruption for local businesses and can create a safety concern for other road users and pedestrians. Your cooperation in keeping this area clear is greatly appreciated and helps maintain positive relationships with our neighbours.

Thank you for your understanding and support.

Hot chocolate Friday

These students will be invited to hot chocolate reward on Thursday or Friday.

Maths corner

Please remember to encourage your child to complete their homework on Sparx Maths. All Maths homework is set on here.

Log in details:

- your child's name
- date of birth
- their chosen password

If they forget their password they can easily reset it.

Research proves that students who regularly complete Sparx homework make 83% more progress than their peers who don't! Homework is set every week for all classes.

Work experience

Well done, Year 10! The vast majority of you have secured work experience placements for the week of 30th June to 4th July. These placements will provide invaluable experience outside of school and be very useful for next year's college, apprenticeship, and job applications – well done again!

There are still 40 pupils who have yet to return their work experience booklets. These must be returned as soon as possible, or Mr Turner will be selecting placements on their behalf for Work Experience Week.

If you have any problems, please contact Mr Turner at dturner@wldhigh.co.uk.
