**JEANS  
FOR  
GENES**

This Year for Jeans 4 Genes day we raised £55 .

The pupils also participated in a denim dance-a-thon

October 1st 2022 marks the beginning of Black History Month. Black History Month is a time to educate and enrich the world with the importance of Black History.

## A message from SaLT

Dear Parents/Carers

We hope you are well rested after the Summer holidays and ready for the year ahead!

At Wandle Valley Academy, we have a varied therapy team supporting the pupils. Over the next few weeks, we will be introducing the different therapies available. Some of the pupils will be known to the therapy team, but we are also including a few new pupils on our caseload this year.

First up this week is our team of Speech and Language Therapists!

We are currently three Speech and Language Therapists working at Wandle Valley Academy. Two of our therapists, Rachel and Jess, work with pupils from the Sutton borough. Our third therapist, Chevonne, works with both primary and secondary pupils who are from outside the Sutton borough.

Below please find a short bio and picture of the three SaLTs who will be working with some of your children during the course of the academic year:

Chevonne du Plessis:

"My name is Chevonne and I am the Speech and Language Therapist working with primary and secondary pupils from outside the Sutton borough. I see pupils 1:1 in the Therapy Hub and support them in the classrooms at Wandle Valley Academy.

I came to the UK in 2019, but am originally from South Africa. I can speak two languages fluently and really enjoy getting to know the pupils that I work with! I am at Wandle on Tuesdays and Thursdays, and every other Monday.

You are most welcome to contact me at [cduplessis@wandlevalleyacademy.org.uk](mailto:cduplessis@wandlevalleyacademy.org.uk) if you have any questions or would like any more information."

## A message from SaLT

Jessica Wood:

"I'm Jess and I have been working with Sutton pupils at Wandle Valley since September last year. I will be leaving at October half term to work at The Quad. This is really exciting for me but I will be sad to leave the wonderful pupils and staff at Wandle who I have been lucky enough to build some great relationships with! I will be delivering all of my therapy sessions this half term and will write targets that will take the pupils until the end of the Autumn Term. I'm in school on Mondays and Thursdays and you can contact me on 07908 408702."

Rachel Wilson-Dickson:

"I'm Rachel, and I've been working at Wandle for a few years now. We all spend time working in the classrooms as well as seeing pupils individually to make sure that pupils' targets are carried over into different environments. I really enjoy spending time with the pupils; looking forward to another exciting year at Wandle!"
