FOOD TECH

Research a cookie/biscuit recipe. Short bread is very good, but pick your own and follow it.

Please take pictures of what you make and send them to the school phone.

SCIENCE

Mirror writing

Write your name on a piece of paper.

Take a large empty glass.

Put paper behind the glass.

Now fill with water.

What happens?

Now try writing your name backwards.

Hold behind the glass...

ICT

ENGLISH

Select an image from www.onceuponapicture.co.uk

and write a short story about it. Remember to use

descriptive writing techniques to really bring your

story to life!

In this game, parents can design a path for the mouse using a deck of cards and place some yummy treats for him throughout the path.

One person acts as the Computer (who moves the mouse by listening to the programmer's instructions). The other acts as the Programmer (who gives the commands). The Programmer gives verbal instructions like 'Move Forward' (state how many card spaces), 'Move Backward' (state how many card spaces), and 'Turn Right' or 'Turn Left' to guide the computer/mouse throughout the path, without missing any of the yummy treats.

PSHE

Holocaust Memorial Day was on Wednesday last week. https://www.hmd.org.uk/

The theme is, 'Be the light in the darkness'. It encourages everyone to reflect on the depths humanity can sink to, but also the ways individuals and communities resisted that darkness to 'be the light' before, during and after genocide.

List 5 things that you could do today, that would bring 'light' to your family or community.

ART

Find 15 things around the house that are your favourite colour. If you are allowed, arrange them all into a face. Take a picture if you can.

Please send photos of any completed work to your tutor via email or message to 07784 225740 (WVA Mobile)
