Subject Yearly Overview 2025-2026					
Subject: Maths Y11	TOPIC	COMPONENT	<b>Notes:</b> Why are you delivering this topic at this time of year?		
Autumn 1	Ratio, proportion & rates of change  Geometry & measures	Calculating speed, distance & time Calculating density, mass and volume  Pythagoras' theorem Trigonometry	I have found that pupils find these concepts hard to grasp so delivering them early allows enough time to revisit and embed learning.		
Autumn 2	Fractions  Coordinates Straight line graphs	Fractions revision  Working with coordinates in all four quadrants  Plot graphs of equations that correspond to straight-line graphs  Use the form $y = mx + c$ to identify parallel lines; find the equation of the line through two given points or through one point with a given gradient  Identify and interpret gradients and intercepts of linear functions graphically	The night sky is most visible in the winter months and provides an opportunities to view real constellations		
Spring 1	Functional skills exam prep  Or	Drawing graphs from a table of values Deriving information from a table and drawing the appropriate graphs Bearings Ordering fractions, decimals and percentages Mode, Median & Mean	Pupils will now have been taught a large amount of content and be in a position to sit the Functional skills assessments.		

	AQA Entry Level Certificate Maths	Properties of number		
	- 5930.	The four operations		
		Ratio		
		Money		
		The calendar and time		
		Measures		
		Geometry		
		Statistics		
Spring 2	Ratio	Express one quantity as a fraction of another, where the fraction is less than 1 or greater than 1	A contrast to the previous topic to give pupils a fresh perspective	
		Use ratio notation, including reduction to simplest form		
		Divide a given quantity into two parts in a given		
		part:part or part:whole		
		ratio; express the division of a quantity into two parts as a ratio; apply ratio		
	Duahah ilitu	Probability scale		
	Probability	Outcomes of probability		
		Experiments using tables and frequency trees		
Summer 1	Exam preparation (GCSE & Functional skills)			
Summer 2
