

Subject Yearly Overview 2023-2024

Subject: Y11 Music	TOPIC	COMPONENT	<i>Notes: Why are you delivering this topic at this time of year?</i>
Autumn 1	Composing music	WJEC Composing music	Historically, pupils have struggled to compose music and so I have decided to tackle this unit again – this time using a different software, hoping that this will help.
Autumn 2	Solo music performance	WJEC Solo music performance	After delivering a tough unit, I have planned for the pupils to get back to something they are comfortable with, performing.
Spring 1	Appraising music/performing music.	WJEC Appraising music/performing music.	The appraising unit shouldn't take too long and as the pupils are used to performing independently, I've put these two units together. (allowing time to finish the performance unit if necessary or start the ensemble on early)
Spring 2	Ensemble music	WJEC Ensemble performance	This unit will be delivered after the performing unit as pupils would have just finished performing practicing along. They will use the skills gained to adapt them to ensemble work.

Summer 1	Catch up unit	WJEC Composing music Ensemble performance Appraising music Solo music performance	This term will be used for pupils to complete any unfinished work ready for hand in.
