* 2020-21 Focus: Incorporate the extra-curricular opportunities and outdoor provision within the curriculum on offer. This was not fully achieved due to COVID19.

The Primary PE Grant has supported with this by:

- Providing out of school sessions for small groups to attend.
- Investing in the outdoor provision which will evolve further over time and is utilised during a number of lessons including P.E.
- Playtimes are more positive with activities available to develop key skills.
- Improving resources so that PE sessions and PE through the whole curriculum is effective.
- Investing in effective learning and CPD opportunities.
