We have had another bumper week of excellence and I have so many photos to put in the bulletin I have had to carry over the ones from the Wandle Water Extravagance and then today's Sports Day till next week.

Although there are some extra great things to share with you that also happened this week. Wandle gained a Wellbeing Award for the positive work that staff and pupils do to support all of our wellbeing and today we have a visit to our Outdoor Education Area and the pupils that have been working growing produce and making it a great area gain certificates of greatness.

All in all another week of greatness from both pupils and staff and lovely to have our new pupils join us for some of these activities.
